

Annual Report

2020-2021

All Saints Academy is a Catholic School inspired by the Holy Spirit and dedicated to teaching and living as Jesus did. Our mission is to serve and partner with our families, parishes and communities as we focus on the spiritual, intellectual, moral, social, and physical development of our children.

Combatting COVID-19

While the 2019-2020 school year will be remembered for the onset of the pandemic and how schools continued the school virtually, the 2020-2021 school year was all about executing an in-person school year still amid a pandemic.

What began as many unknowns, students, staff and parents alike soon became familiar with the protocols and procedures that would guide their daily experiences at school. Terms like "social distancing," "quarantine," and "close contact" became part of the normal vocabulary.

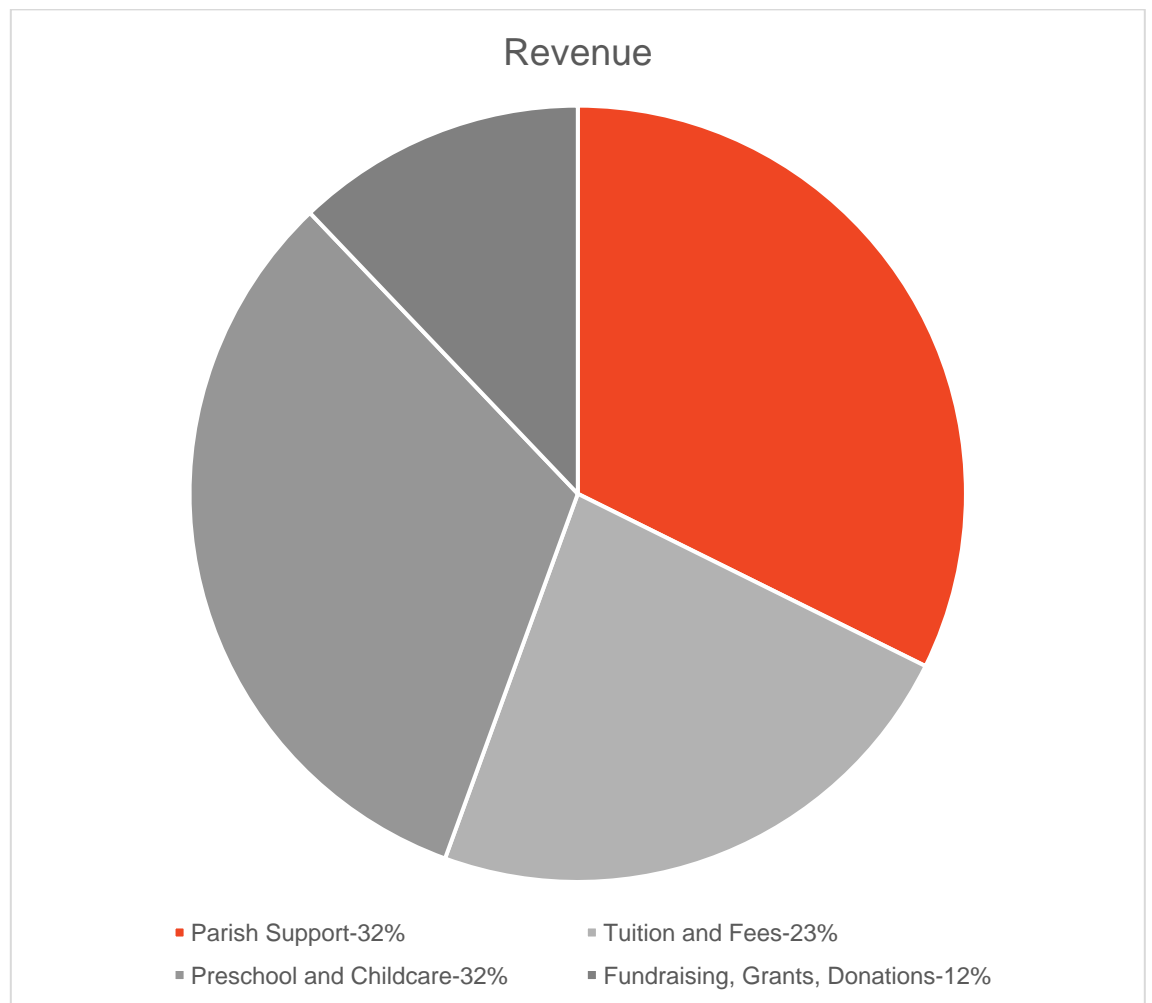

While things like Eaglefest, Christmas programs, Eat, Pray Run, and other traditional ASA events were cancelled, the school year was nothing but a success. 180 days of in person instruction was achieved. Graduation took place as usual. By May and June some of the restrictions shifted to recommendations and school started to begin to feel like normal.

In the end there were 19 confirmed cases of COVID-19 for the All Saints Academy community during the 2020-2021 school year.

Student Achievement

MAP Data

MAP assessments are computer adaptive and produce accurate, reliable data that reveal the precise learning level of every student, regardless of the student's ability or grade level. MAP identifies areas of strength and opportunity at the goal level of a subject, as well as overall performance. Educators use MAP data to inform in-the-moment instructional practices, gain insights into college readiness, and view grade independent academic growth.

ASA Marches Online-Spring Web A Thon

Our 2021 Spring Web-A-Thon aired live on March 13, 2021 and was a huge success. From over 130 donors and 13 sponsors, we raised \$67,250 for teacher wish lists, tuition assistance, and our ASA endowment!

On Saturday March 13th, the ASA Upper Campus at 4 Mile Holy Family Learning Lab was transformed into a Television Studio. With the help of Peter Johnson and his team, lights, cameras, and soundboards were brought in and set up in preparation for us to "go live" from ASA. Marks were taped and our hosts were introduced to stage microphones while we reviewed directions, scripts and details for the evening.

In the weeks leading up to March 13th, ASA community members and friends submitted various videos for our "variety show" and a script was written to tell the story of ASA in the year since the onset of the COVID-19 pandemic. Through the lens of our 4 Core Values: Faith, Learning, Loving and Serving, we received encouraging messages, talent videos and class performances. The Web-a-Thon committee was introduced to the process for building a TV timeline so that these videos could be edited and lined up for the broadcast.
