SCHOOL NEWS

Ms. Lombardo's Pre K 4 class has been busy this week doing STEM projects. Students had the option to work together or individually to create

whatever they wanted using cups, foam blocks, dominos, Legos or cubes. A whole group activity scheduled to last 20 minutes turned into almost an hour as the students were so engaged and eager to continue exploring and building with the materials. Bridges, pianos, car ramps, castles, towers, a clock, seesaw, and traffic jam were proudly made. Their creativity and problem solving skills wowed Ms. Lombardo and Mrs. Gregorie. Great job Pre K 4.3!
