SCHOOL

Pre K 3.2 has been hard at work since September. We have been learning our letters, names and counting. We have been growing each day into the best of friends. Each of these children love to learn, play and make friends.

We have been learning about god and how he effects our lives each and every day. The children love to say their pray-

ers in the morning, before and after meal times. Some topics we have focused on so far are farm animals, apples, pumpkins, and currently

learning about thanksgiving and what we are thankful for. For Halloween we also got to paint small pumpkins We also have fun Friday where we pick a fun science experiment to do, they love fun Fridays. We also are learning to trace our names along with recognizing letter names and sounds. We are also practicing now for our Christmas performance; we are learning many songs.

This upcoming Thursday we are going to be celebrate thanksgiving with a full thanksgiving dinner. We will be having all the necessities to celebrate thanksgiving, the children are very excited.

In Pre k 3.2 we have been working very hard and continue to keep practicing all of our skills. We have a very structured routine which the children love, they love to know each day what we are doing next.

MINISTRY SPOTLIGHT: MARY'S CIRCLE OF LOVE MINISTRY

This ministry meets every other Thursday after the 9:00AM Mass. This is a group for those 55 and older. Don't let the name of this group throw you off... this is for men and women.

The main essence of our mission is to develop a spiritual journey in the imitation of Christ. We journey with each other; sharing our joys, trials, fears and triumphs. All are welcome to attend our gatherings.
