## SCHOOL UPDATE

Pre-K 3.1 is back and busier than ever! The first few weeks of school found our youngest students learning the routines of their new school, meeting new friends, and enjoying lots of hands-on learning. A favorite activity was Applesauce Friday, which this group will repeat every Friday throughout the Fall.

Another favorite for this active crew is their daily nature walks around the St. Ambrose campus. The newly revamped Stations of the Cross trail is a favorite destination, as is the back soccer field, and viewing "Father Kelly's roses."

While this school year is different than any other, the students in Pre-K 3.1 set a wonderful example of adaptability, positivity, and the importance of friendship and play for all of us.

## CHRISTMAS STORE

DECEMBER 14, 2020

**Providing for children ages birth through 18 to low-income residents of Latham & Cohoes**

Formerly The Giving Tree, this year the goal is to turn this annual tradition into a more dignified way of providing children with a gift at Christmas time. The Christmas Store model is based on research that shows that a healthy model of ministry to those lacking material resources includes empowering them to be part of the process. By hand-selecting their children's gifts, those receiving help can maintain their dignity. Our goal is to serve 100 children with two toys, a book and socks. Beginning in October we'll be seeking donations of socks to stock the Christmas Store.

**Sock donations may be brought to Church on Sunday or to the parish office Monday through Thursday**
