CHRISTMAS STORE

Providing for children ages birth to 18 to low-income residents of Latham & Cohoes

MONDAY,
DECEMBER 14, 2020

Formerly Giving Tree, this year the goal is to turn this annual tradition into a more dignified way of providing children with a gift at Christmas time. The Christmas Store model is based on research that shows that a healthy model of ministry to those lacking material resources includes empowering them to be part of the process. By hand-selecting and their children's gifts, those receiving help can maintain their dignity. Our goal is to serve 100 children with two toys, a book and socks.

SCHOOL UPDATE

1st Grade Happenings

Although this school year is like no other, we are off to a good start in first grade! We are getting into the swing of things with our first grade routines. The students have also done a wonderful job with our many new routines of sanitizing, mask wearing and social distancing.

First grade is an exciting year of growth! The students become readers, writers and mathematicians. We have so much fun singing, playing, exploring and creating.

Our students are amazing examples of resilience and adaptability. Each day they arrive at school, with enthusiasm and positivity, ready to meet any challenges that may come our way.

I am so proud to be their teacher and to teach at St. Ambrose School! It is truly a wonderful place to be!
