HAILEY'S CORNER

33RD SUNDAY OF ORDINARY TIME

CHRISTMAS STORE

Providing for children ages birth to 18 to low-income residents of Latham & Cohoes

MONDAY,
DECEMBER 14, 2020

Formerly Giving Tree, this year the goal is to turn this annual tradition into a more dignified way of providing children with a gift at Christmas time. The Christmas Store model is based on research that shows that a healthy model of ministry to those lacking material resources includes empowering them to be part of the process. By hand-selecting and their children's gifts, those receiving help can maintain their dignity. Our goal is to serve 100 children with two toys, a book and socks.

We are accepting donations of new, unwrapped toys for children ages newborn to teen. All donations are requested by December 13

We are also seeking donations of new children's books.

SCHOOL UPDATE

Welcome to Pre-K 4: Ms. Schaffer's Class

We are having a great time in Pre-K. Masks are a new fashion statement. They come in various designs - we can have dinosaur and shark teeth or be bedazzled with pearls. The best are the ones with a message of kindness. We are separated by protective shields and social distancing at snack and lunch is a must but the learning continues and the fun never stops.

In September we began by getting to know each with "All About Me" bags. The children have the opportunity to practice their public speaking by sharing 4 things that they can fit in a brown paper bag with their classmates.

At the end of the month we visited an apple orchard virtually. Each child brought in 3 different colored apples. We made apple sauce, apple pie bites and had an apple taste test. Our favorite apple was Red.

In October we ran an obstacle course for the Race for Education. We went on a virtual field trip to a farm. We celebrated Halloween and carved pumpkins, made slime, had a pizza party and best of all the Ice Cream Truck came.

Now that we have entered into the month of November we are reminded to stop and be thankful. Although this is the new normal for our little ones, they don't seem to mind. We value every moment we have together and embrace each smile we receive. We pray each day that we get to do the same thing tomorrow and are thankful for each and every person in our school.
