SCHOOL UPDATE

Our Second Grade is Second to NONE!

It has been a wonderful few months in second grade. The students are working hard and having fun learning. Second grade is an important time for expanding our learning of addition and subtraction. This is the year we learn how to add and subtract double and triple digits. We have been finding many fun ways to practice our facts. We have used manipulatives, whiteboards, games, and sometimes play Scoot around the classroom to answer questions. It's a great way to get us up and moving.

This year we have been focusing on spreading kindness. We learned about World Kindness Day from our Catapult Learning teacher. Since then the students have been working hard to spread kindness around the school. They left kind notes for staff members, made decorations for special area teachers, colored Advent pictures for Church staff, and made cards for Mrs. Spera and others. They have also worked to show kindness to our school by fundraising during Race For Education and dress down days.

The students have had so many wonderful experiences this year. They got to have Mrs. Spera do morning announcements from our classroom, got a visit from the ice cream truck in the snow, filmed a song and story time for the Christmas video, and received a blessing at mass in preparation for our First Communion. St. Ambrose is such a wonderful school community and second grade is looking forward to what a new year will bring to it.

Spring 2021 Confirmation Program

Teens that are in 10th grade or 15 years old are eligible for Confirmation. Preparation this year will be a new 6 week course that will take place over the course of Lent 2021. Students must be active members of our Youth Ministry to apply. Reach out to Robyn or Adam in the parish office for details!

HAILEY'S CORNER

It can be a DOG EAT DOG world sometimes. Take it from ME and break the cycle: respond with kindness even if you didn't receive it. GRACE is my middle name, afterall!
