## SCHOOL UPDATE

## Oh, the Humanities!

As the year has progressed in art class, so has the joy of our creations! Many students in the 5th & 6th grades were thrilled with their Spirit Tree Sculptures and paintings of everyday life. 4th graders learned all about printmaking. The printmaking Christmas design by Lily Sebastian was chosen for the Diocesan Christmas Greeting Card!! Hurray and congratulations! The 3rd graders learned how to create atmosphere when painting a storm by using unlikely tools such as sponges, plastic wrap and salt! Both 3rd and 4th grades are very involved in learning new hand sewing techniques. The 2nd graders were very absorbed in guided drawing and painting. The 1st graders learned about landscapes, paper collage, the color wheel and many more techniques. Kindergarteners met their challenges in working with mixing primary and secondary colors to create new colors, they also created collages and practiced a lot cutting with a scissors and gluing.

Our Humanities program provides educational opportunities such as cognitive skills, assimilation, problem solving, eye-hand coordination, visual perception, the ability to sequence and many more – just to name a few. We are so fortunate to have the support of our administration, staff, and parents! We look forward to improving all of our skills in every area in order to convey meaning through the presentation of artistic work.

Blessings to you!  
Sister Vivian
