SCHOOL UPDATE

First Things, First Graders

This month, first grade was responsible for helping at our school mass during Catholic Schools Week. Each first grader took part in a special way by reading during mass. They took this responsibility very seriously and they all did a wonderful job!

First grade has been very hard at work in the classroom as well. We are becoming fantastic readers and writers! We are reading and learning about arctic animals. Each student chose a favorite arctic animal to research and is now using informational texts and Ipads to find information for the report.

We have been practicing our sight words and math facts by playing a game called ZAP! We try to read a sight word or recall an addition or subtraction fact. At the end of the game, we count up how many we know! This is one of our most favorite times of the day!
