SCHOOL UPDATE

Palabras Nuevas (New Words)

Our students have been busy expanding their Spanish vocabulary!

Pre-K classes have been learning and singing songs about pets, farm animals and ocean animals.

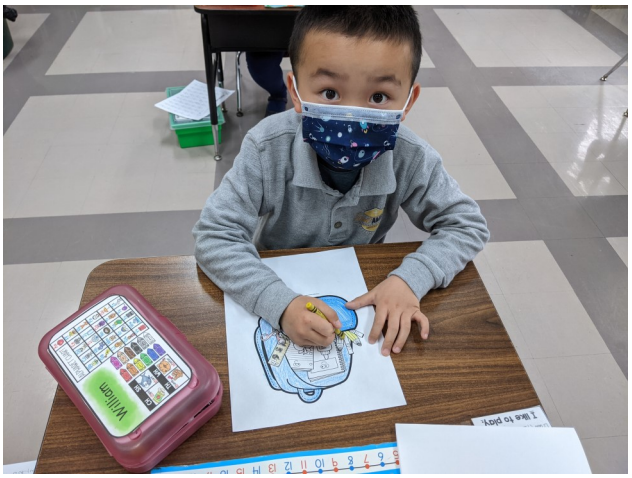
Kindergarten learned about some pets and farm animals with some writing and songs. Now they are learning about some basic body parts.

1st graders have been learning about some things in our classroom and some things they carry in their backpacks.

2nd graders continue practicing some greetings and weather with some songs. The students have been learning some body parts with a song and memory games.

3rd graders have been learning about some expressions of feelings with the verb TENER (to have). This week they will be introduced to some food.

4th graders learned about family members and things that are inside and outside the house. This week they will start learning about some professions and community places.



5th graders have been working on conjugating the verb ESTAR and manipulating subject pronouns .

6th graders have been talking about the food we eat for breakfast, lunch and dinner with some regular -ar, -er and -ir verbs.

ANNOINTING OF THE SICK

Did you know that you can request the Sacrament of the Sick for any illness?

Over the centuries, the Anointing of the Sick was given more and more exclusively to those at the point of death, but at its core it is a sacrament for anyone who is in danger due to serious illness. This illness could be mental or physical.

Please, if you are suffering due to an illness, reach out to us at the parish office. We would be happy to set up a time for you to be anointed. If you are here in person, Father would be happy to anoint you after any of the masses.

Furthermore, if you have reason to believe that a loved one is approaching death, do not wait! It is never too early to have someone anointed. It is their right, and our privilege to administer this Sacrament.
