## ANointing OF THE SICK

Did you know that you can request the Sacrament of the Sick for any illness?

It's a Sacrament for anyone who is in danger due to serious illness, mental or physical.

If you're suffering due to an illness, reach out to us at the parish office. We can set up a time for you to be anointed. If you are here in person, Father could to anoint you after any of the masses.

Furthermore, if you have reason to believe that a loved one is approaching death, do not wait! It is their right, and our privilege to administer this Sacrament.

## Ireland Trip

You're Invited to join Fr. Brian Kelly, Deacon Gerry Matthews and many friends and neighbors on our 10 night, private, escorted Ireland vacation Oct 5 - 16, 2021.

## SCHOOL UPDATE

## Learning Happens Everywhere

I hope you are all enjoying the first few weeks of your summer vacation! While this is a time for rest and relaxation or cramming everything you can into two months, this can also be a time for learning. Our greatest learning opportunities come from our everyday experiences. Whether it is grocery shopping, watching a thunderstorm or going out on a boat, there are questions to be asked and answers to be found. Try to incorporate daily learning experiences into your routines. It only takes seconds to pull out your mobile device and Google something or ask Siri or Alexa!

Grocery shopping is a great way for students to practice math. You can try rounding, simple addition, adding decimals, recognizing place value and many other common math principles. The weather is also a great topic of discussion and why certain things happen and why they are necessary. The water cycle can be found in our daily life, like "why is the grass wet in the morning?". If you are out on a boat, think about the simple machines that are needed, ask yourselves "how and why does this float?", or just think about the living creatures and the habit you are surrounded by.

Learning happens everyday and technology has made it so accessible to always ask questions. Enjoy your summer but don't forget to keep gaining new experiences and knowledge!

Mr. Riley
