ANointing of the Sick

Did you know that you can request the Sacrament of the Sick for any illness?

It's a Sacrament for anyone who is in danger due to serious illness, mental or physical.

If you're suffering due to an illness, reach out to us at the parish office. We can set up a time for you to be anointed. If you are here in person, Father would be happy to anoint you after any of the masses.

Furthermore, if you have reason to believe that a loved one is approaching death, do not wait! It is their right, and our privilege to administer this Sacrament.
