THE DESCENT OF JESUS INTO HELL

In Episode 17 of Season 9, Deacon Larry Vaclavik explains why Jesus descended into hell.

Reflection Questions

1. What is the significance of Jesus descending into hell according to the Apostles Creed and the understanding of the Jewish people during the time of Jesus?
2. How does the concept of Jesus descending into hell relate to the resurrection and the idea of eternal life for those who have died before Jesus?
3. What does the teaching of Jesus descending into hell to gather those who have struggled to live justly and well mean for our understanding of God's grace and our own lives as imperfect individuals?

DO YOU WANT TO VOLUNTEER AT HOW?

This is a massive event that will require several groups of volunteers. We need your help and would like you to be part of our team. Your assistance will be instrumental in making the event a big success.

CREATION, EVOLUTION, AND ST. AUGUSTINE

Does modern science contradict the story of Genesis? What does the theory of evolution tell us about the creation of the world in six days?

Welcome to episode three of the Wonder series. In this episode, we learn how the biblical story of creation and the theory of evolution fit hand-in-glove.

We will follow the guide of St. Augustine of Hippo who spent many years studying and interpreting the book of Genesis. He explains that to understand the "literal meaning" of the Bible means to understand the *intention* of the author — both the human author and the divine author.

Click the video below to watch Episode 3: Seeds of Life.

“All these living things around us, have been seminally and primordially created in the texture of the elements; but they require the right occasion to actually emerge into being.”

St. Augustine of Hippo

Questions for Reflection:

- Have you ever struggled with the relationship between evolution and the Bible?
- How does St. Augustine explain the difference between how God created non-living things like light, and living things like animals and humans?
- How has this episode deepened your understanding of Genesis and creation?

Rebuilding Our Church Tower

HELP RESTORE OUR BELOVED CHURCH BELL TOWER: A CALL FOR SUPPORT

Over the years, our beloved bell tower, which has been the cornerstone of our church since 1959, has suffered continuous damage from the elements that have affected its integrity. This only came to light at the end of the remodeling of the Church during our current capital campaign. Unfortunately, the tower has suffered significant harm and is in dire need of repair.

We have already begun assessing the cost and developing a plan to restore the tower to its former glory; our preliminary estimate indicates \$500,000 in repairs. In a few weeks, we will have a more solid amount, to which we will add a contingency number for those unknown items that have to be repaired.

We humbly ask for your assistance in raising the funds necessary to rebuild our tower, which stands as a proud symbol of our church. Your generous donation will make a lasting impact on the future of our church and our community.

For your convenience, you can donate on our website under Online Giving and select Capital Campaign or click here:
