#### WHAT DO I BELIEVE?

If you are a Christian or a practicing Catholic, you might often say *I believe in God*. Imagine just for a moment that these four words are a gateway to understanding your life on earth and an invitation to a truly meaningful existence.

Why should we talk about what we believe instead of just getting on with life? We invite you to watch this short video below from Fr. Stephen Gadberry - a combat war veteran and American Ninja Warrior.

Do you feel any different about your beliefs after watching this video?

#### Additional Questions for Reflection:

- Can you say "I believe in God" with sincere honesty?
- If not, what questions do you have, and how can you get the answers?
- How would you describe "God" in your own words?
- Who is Jesus for you?

#### If you want to access all of Word on Fire's videos:

- 1. Click on the video, and a Flocknote window will open with the newsletter.
- 2. Click the orange button under the video that says "Check them out."

3. A Word on Fire window is going to open. Scroll down to select a video that you like to watch.

# Online Giving/Mass Collection

# CATHOLIC UNIVERSITY OF AMERICA/ UNIVERSITY OF ST. THOMAS COLLECTION ON SEPTEMBER 2ND AND 3RD

This weekend, September 2nd and 3rd, St. Theresa will have a second collection at all Masses benefiting students needing financial assistance to attend the University of St. Thomas or the Catholic University of America. Please use the yellow envelopes on the collection boxes.

The generous donations of parishioners provide opportunities for students seeking a Catholic college education at these institutions. The monies collected go directly to support scholarships for students who may not otherwise have the opportunity to attend college at all. Nearly 90 percent of the University of St. Thomas students receive scholarships or financial aid. Providing these scholarships helps to relieve

the academic stresses of hard-working students.

Faculty and staff at the University of St. Thomas and the Catholic University of America work tirelessly to enable their students to prepare themselves for life and work in a changing world and to become leaders for the benefit of family, community, country, and Church. Your generous donations directly support student financial aid and provide opportunities for our future leaders.

# Church Renovation

#### CELEBRATING OUR REVITALIZED CHURCH

The final part of a renovation project that began in 2017 has been completed. After the entire project, we currently owe \$916,848 on loan to the Archdiocese. We have outstanding pledges of approximately \$650,000. These pledges will be paid over the next two years. In addition, we continue to apply any other funds received to reduce this outstanding debt.

St. Theresa is committed to you, our parishioners. The people we touch, from the children attending the early childhood center and the school to all the different people we serve through our parish ministries, have had positive experiences in these remodeled or new facilities.

The regentrification of our facilities has allowed us to draw in additional vibrant members because of the contributions you have made over the years. We are thankful to you for your support as we continue to work to increase in numbers so that we can assist others to learn, to pray, to study the bible, and to at all times reach others in need.

Please consider helping us with the last of the unfunded debt. For your convenience, you can donate on our website, **sttheresa.cc**, under "Online Giving" and select "Capital Campaign" or click the button below:
