GOD KEEPS HIS PROMISES

Throughout human history, God has promised to take care of his people, beginning with the people of Israel. These promises are called “covenants” and require faith in God and our active response. They are sacred bonds and are unbreakable; God is faithful to us always, even when we fail to remain faithful to him. Jesus instituted the last and most perfect covenant, offering eternal friendship with God to all people.

See how God promises to make things right in this short video from Matt Nelson, an author and Fellow at the Word on Fire Institute:

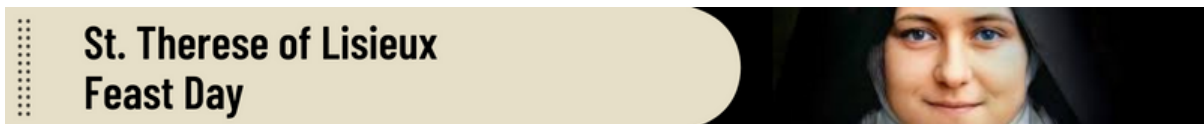

Questions for Reflection:

- What is the purpose of a “covenant” with God?
- Do you believe in God’s promises? What has he promised you?
- How have you responded to Jesus’ invitation to the New Covenant?

If you want to access all of Word on Fire’s videos:

1. Click on the video, and a Flocknote window will open with the newsletter.
2. Click the orange button under the video that says “Check them out.”
3. A Word on Fire window is going to open. Scroll down to select a video that you like to watch.

Online Giving/Mass Collection

Second Collection

WORLD MISSION SUNDAY 2023

It is “an important day in the life of the Church because it teaches how to give: as an offering made to God, in the Eucharistic celebration and for all the missions of the world”. St. Theresa will have a second collection at all Masses for the World Mission Sunday, organized by the Society for the Propagation of the Faith, which is a day set aside for Catholics worldwide to reflect on their Baptism when they received the gift of faith and recommit themselves to the Church’s missionary activity through prayer and sacrifice.

Please use the yellow envelopes on the collection boxes. Your prayers are most treasured, and they, along with financial help offered today, WORLD MISSION SUNDAY, answer Christ’s call to be His witnesses. Thank you!
