## Restricted Access

Please note that on school days, access to Lot 1 is blocked by gates from both the Inwood side and the Harvest Hill side of the campus. This is to protect the children at St. Rita School during recess on the Plaza and the field. (See orange icons on previous page)

During carpool for St. Rita School all entrances and exits are in use by parents dropping off or picking up. This makes it difficult to access all parking lots across our campus. Carpool times are as follows:

- Morning – 7:15 – 7:45 AM
- Afternoon – 2:30 – 3:30 PM
