**6<sup>TH</sup> SUNDAY IN ORDINARY TIME**

He said to him, "See that you tell no one anything, but go, show yourself to the priest and offer for your cleansing what Moses prescribed; that will be proof for them." The man went away and began to publicize the whole matter. He spread the report abroad so that it was impossible for Jesus to enter a town openly. - Mk 1:44-45b

**6º DOMINGO DEL TIEMPO ORDINARIO**

Jesús le mandó con severidad: "No se lo cuentes a nadie; pero para que conste, ve a presentarte al sacerdote y ofrece por tu purificación lo prescrito por Moisés". Pero aquel hombre comenzó a divulgar tanto el hecho, que Jesús no podía ya entrar abiertamente en la ciudad. - Mc 1, 44-45

## Pastor's Corner El rincón del Párroco

By Fr. Mike Walker

"IF YOU WISH YOU CAN HEAL ME."

"SI LO DESEAS PUEDES CURARME."

For any of us who have had a serious illness, we desire healing. It is normal to have those desires. Who do we turn to when we want to be healed? Usually, if it is something ordinary we seek medical help and use the natural gifts God has given us through medicine and medical practice. Still, we shouldn't lose sight from the fact that ultimately God is the author of life and all healing goes back to him. I'd recommend that any time you are seeking healing through the natural medical means, it is good to ask Jesus to work through that process and acknowledge that he is the one who brings about healing. There are also times when healing is outside of the medical realm. Pray for healing. God can do "supernatural" healing as well. I have personally seen such things. The anointing of the sick, when it is a very serious illness, is a sacrament that brings about supernatural healing. Remember that healing is not always something physical. Sometimes we need spiritual healing, psychological healing, or emotional healing. Sometimes, we are in need of healing, that doesn't fit any category. Bring that also to God in your prayer and ask him to heal you. We say, "If you wish you can heal me," because we know that it ultimately comes from him. If He chooses to heal or not heal a particular situation, we know that he ultimately will heal us, and if we need to persevere in any illness in the meantime, let's do our best to leave it in his hands with patience and trusting faith. That can be difficult, but with God's help, it is possible.

Cualquiera de nosotros que haya tenido una enfermedad grave deseamos curación. Es normal tener esos deseos. ¿A quién acudimos cuando queremos ser sanados? Por lo general, si es algo común buscamos ayuda médica y utilizamos los dones naturales que Dios nos ha dado a través de la medicina y la práctica médica. Aún así, no debemos perder de vista el hecho de que, en última instancia, Dios es el autor de la vida y toda curación regresa a él. Recomiendo que cada vez que busque curación a través de medios médicos naturales, sea bueno pedirle a Jesús que trabaje en ese proceso y reconozca que él es quien logra la curación. También hay ocasiones en las que la curación está fuera del ámbito médico. Ore por la curación. Dios también puede realizar curaciones "sobrenaturales". Yo personalmente he visto cosas así. La unción de los enfermos, cuando se trata de una enfermedad muy grave, es un sacramento que produce curación sobrenatural. Recuerda que la curación no siempre es algo físico. A veces necesitamos sanación espiritual, sanación psicológica o sanación emocional. A veces necesitamos sanación y eso no encaja en ninguna categoría. Lleva eso también a Dios en tu oración y pídele que te sane. Decimos: "Si lo deseas, puedes curarme", porque sabemos que, en última instancia, proviene de él. Si Él elige sanar o no una situación particular, sabemos que finalmente nos sanará, y si mientras tanto necesitamos perseverar en alguna enfermedad, hagamos todo lo posible para dejarla en sus manos con paciencia y fe confiada. Esto puede ser difícil, pero con la ayuda de Dios es posible.

## World Day of Consecrated Life

### What are the forms of Consecrated Life?

Through the inspiration of the Holy Spirit, there are six different forms of consecrated life emerging throughout history and continuing to emerge in the present day; *Religious Life, Monastic Life, The Order of Virgins, The Order of Hermits, Secular Institutes, and the Societies of Apostolic Life.* Today we will talk about **Religious Life**.

The most commonly known form of consecrated life is religious life. Men and women are called to enter religious communities such as the Jesuits and the Franciscans to share in the charism of the communities. Charism is a gift given by God to each religious community for service to the Church. For example, the charism of the Jesuits is education and the charism of the Franciscans is service to the poor.

### CONSTANT VIGIL

The visible, public centerpiece of 40 Days for Life is a focused, 40-day, non-stop, round-the-clock prayer vigil outside a single Planned Parenthood center or other abortion facility in your community. It is a peaceful and educational presence. Those who are called to stand witness during this 24-hour-a-day presence send a powerful message to the community about the tragic reality of abortion.

## Can you find me?

**Clue:** Splish, Splash! In the Bible there are stories about water, like Noah and the flood! I am the biggest pool of water in the church — can you find me?

Fact: Baptism is the very first sacrament in the life of faith, so the baptismal font is often found as one enters a church, a subtle clue about its purpose.

## Park and Play Campaign

Our Park and Play has had a great start. We are around \$245,000 in total gifts and pledges. Since we began, we now have an opportunity for those who haven't given yet or would like to add to their gift. We have an opportunity for matching funds to double any gift up to \$100,000. Since Lent has a focus on Prayer, Fasting, and Almsgiving, this is another way to apply generous giving during this season. Thank you to those who have already. Our hope is to reach our goal of \$500,000 so we can complete our project and begin next fall. Information is on the back tables or you can go to our parish website to make your contribution.
