"Behold, you will conceive in your womb and bear a son, and you shall name him Jesus." Today is the last Sunday of the Advent season, and we hear in the Gospel the anticipation of the feast we will celebrate in just one day. Christmas is coming! Jesus is on his way!

We have had weeks to prepare for this momentous occasion, and now we are on the very verge of its arrival. The children in our midst can hardly contain their excitement as they wait to wake up on Christmas morning. The thrill of this coming moment is meant to remind us of the joy and anticipation we should all feel as we await the coming of Christ. Yes, Christmas is a great feast, but there is more here than a remembrance of the past or a fabulous party in the present. There is a looking-ahead as well. We celebrate as we anticipate.

Much as Mary must have waited in wonder during the nine months of her pregnancy, we wait in hopeful expectation as Christians looking forward to being reunited with our Savior. Our future is full of hope. The deflating melancholy that afflicts many people after a holiday runs its course need not be the experience of the Christian waiting for Christ. We are always looking forward to something! There is never a moment when we have no cause for joy. Our lives are lived in a kind of unending advent as we stand in watchful waiting.

Let us remember this as we enter into our Christmas Eve gatherings and festivities. As we join with family and friends to share in the good things of this life, may we carry with us the joy of knowing that even better things lie in store for us who welcome the infant Jesus into our hearts and homes.

Joyful. Faithful. Successful.

YEAR END GIVING AND TAX BENEFITS

As the end of the year approaches, we begin to reflect upon the many blessings bestowed upon us. It also provides a great opportunity to thank God for these blessings.

This is also the time of year when people consider giving charitable contributions to their favorite charities. We hope that you consider St. Nicholas Catholic Church as one of your favorites.

As you do your tax planning, we hope you will consider making good use of the income tax charitable deduction. Your year-end gift can significantly reduce your income taxes while providing meaningful support to St. Nicholas. Regardless of your income, in most cases, you can lower the taxes you pay through charitable giving. Of course, the amount of the income tax savings will depend on your tax bracket. As you know, giving is about much more than tax savings. Your charitable gifts make an important difference in what we are able to accomplish here at St. Nicholas.

THANK YOU FOR YOUR CONTINUED GENEROSITY!

In order for your contribution to be considered a 2017 charitable tax deduction, please note:

- Contributions (if mailed) must be postmarked on or before December 31, 2017
- Contributions must be in the collection basket on or before December 31, 2017
- Contributions must be physically in the parish office on or before noon on December 29, 2017

Contributions received in the January 1, 2018, collections are considered 2018 contributions even if checks are dated for 2017.

For your convenience, St. Nicholas accepts online payments through our parish website, stncc.net. You can make payments with your Debit or Credit card for your regular Sunday giving, for events or classes, and for one-time donations such as year-end gifts to the parish.

EVERYDAY STEWARDSHIP

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Advent comes along every year and will continue to do so until Jesus returns. As this season draws to a close, we can each ask ourselves, "Am I now any better a disciple of Jesus Christ and more of a steward of all my gifts than before the Advent season started?" I have been on this earth for forty-plus years. I have had forty-plus Advents to draw closer to God and to work on taking more seriously my baptismal call. Some have gone better than others, but I would like to think my spiritual life progressed at least a small amount during each of them.

Conversion is a process. Stewardship is about a way of living and it is about more than simply being generous when a situation calls for it. Stewardship and conversion go hand-in-hand and we are always moving closer to holiness in Jesus Christ. Living in this way takes practice and commitment. If this Advent didn't go as you had hoped, remember it is not really an end. It is just another step along your journey.

This Christmas, while you are giving and receiving gifts and hopefully spending time with those you love, may you take the time to cherish the true gift that came to us over two thousand years ago and continues to call to us to this day: Jesus. Let us be grateful beyond measure for this gift above all gifts, let us continue on our journey, and let our lives give testimony to the One who leads us.

WHY DO WE DO THAT?

CATHOLIC TRADITIONS EXPLAINED

Question:

Why do the Gospels differ in their details? I was surprised to learn that not all of the Gospels tell the same stories, for example, the Nativity. Doesn't this take away from their credibility?

Answer:

Take any event that happens, from family trips to national politics and ask two or three different people to explain what happened. You will get a different version of the same story. People tend to tell the story from their perspective, and past experience shades what we recall and how we recall it. Our choice of words and what details we leave in or out is also influenced by the audience who is listening to our tales.

The Gospel writers are no different. Each one tells the story of Jesus from their own perspective. Versions differ in some details, not because one is true and the other is not, but because each Gospel writer, or Evangelist, has a different theological point to communicate as well as a different audience for whom he is writing. He picks and chooses the details of his Gospel based on what message he is preaching, what his audience may already know, and what message they need to hear. The various details of the Gospels point more to their authenticity as a record of the church's experience and understanding of Jesus. In a good study Bible, the background notes for each Gospel contain a lot of information that helps us better understand each Evangelist and his message.

**LIVE THE LITURGY
INSPIRATION FOR THE WEEK**

Mary said: "Behold, I am the handmaid of the Lord. May it be done to me according to your word." A simple trust in God's word allowed the Mother of God to do incredible things. As a humble servant and listener, she embraced her mission and invested herself wholeheartedly in doing what God had asked. Do we know and trust that we are being led? Often, we can feel very much alone and without a source of inspiration, guidance, and love to enlighten our path. God is with us. This is the essential message of Advent and the truth revealed to us at Christmas. We are never alone. There is no need to fear. We too, with God's help, can do incredible things.

Would you and your family like to bring up the Gifts to Father Barnes during Mass?
What an honor it is to carry the wine and hosts to the priest at Mass for consecration!

Any occasion can be a time to serve as a Gift Bearer: a birthday, an anniversary, or just a "happy day." Or maybe you would like to bring up the gifts on the memorial of a loved one. Gift Bearers actively participate in the celebration of the Mass by presenting the gifts of Bread and Wine at the altar and require no special skill or permanent ministerial duty, and yet it is a beautiful and significant part of the Mass performed by lay people. We have a sign-up book in the back of church where you can register you or your family.

ARE YOU REGISTERED?

Registration helps us keep you informed of important events, especially regarding sacramental preparation for children. If you are not registered, please fill out this form.
