Tribulation. Wildfires. Tsunamis. Moral corruption. Disease. War. We tend to associate these things with the end times, and perhaps for good reason! In today's Gospel, Jesus says: "People will die of fright in anticipation of what is coming upon the world." Not exactly putting us in the Christmas spirit, is it? During Advent, we anticipate a celebration of Christ's first coming. There is a quiet stillness about our waiting, or at least we try to encourage that in ourselves. Perhaps we have an Advent devotional or we take time to pray together as a family around the Advent wreath.

But Jesus did not come only once into history. During Advent, we remember that he will come again. You may remember the rapture craze in the early 2000s, when a series of books and movies envisioned a future where Jesus was coming soon and all the true believers had been whisked away. Everyone else had one more chance to repent before things really went to hell...literally, in this case!

But is that what Jesus is talking about here? The truth is, we don't know what Jesus' Second Coming will be like. The actual return of Christ - though sudden and perhaps frightening to some - should not frighten us. Despite all the stories we may have heard about the apocalypse, the advice of Jesus is not to hang our heads or cower in fear. "Stand erect and raise your heads because your redemption is at hand." In a certain sense, we are already living in the end times. We already encounter great tribulation. We all find it easy to get distracted or discouraged in the grind of daily life. Today's Gospel reminds us that vigilance for God's presence is needed now.

Come for a tour and see the Holy Cross difference!

Joyful. Faithful. Successful.

R.C.I.A. - THE RITE OF ACCEPTANCE AND WELCOMING

This ancient Rite of the church recognizes the Catechumens decision to begin the process of becoming a member of the Catholic Church through Baptism and Welcomes the Candidates, those who have been baptized in another faith or baptized Catholic as a child but have not received all the sacraments as a child, into the process of full communion with the Church. St. Nicholas will be welcoming two Candidates and one Catechumen at the 10am Mass this weekend.

An important part of the RCIA is the role of the parish Sponsor; an active member of the local parish Church that walks the journey with his/her candidate.

St. Nicholas is looking for a volunteer to be a parish sponsor for an RCIA candidate. Sponsors must be active, practicing Catholics, from the St. Nicholas parish so as to connect their candidate to the parish, via parish activities, ministry, and overall parish life; The role of the sponsor is to both support and witness the person's conversion and readiness to receive the sacraments of the Catholic Church. This is accomplished by attending the Thursday evening RCIA classes as often as possible, special rites and events with the candidate and offering encouragement, listening, prayers, during and outside of the regular meetings as necessary.

Our Parish School News

GIVE TO THE MAX RESULTS!

November 15 was an extraordinary day for Holy Cross. We met our goal and raised a grand total of \$5,000 in 24 hours! Our school is stronger because of your generous contributions and we thank you!

On November 28 students in Grades 5—8 participated in a 4 His Glory basketball clinic. They heard inspiring messages, learned basic skills, participated in age-appropriate drills, and were given an in depth introduction into what it means to be a 4HG student-athlete and play FOR HIS GLORY!

WHAT IS 4HG?

4HG is a movement to create a healthy sports culture in our Catholic schools. We believe athletics, when done right, serve as an invaluable tool for developing well-rounded children.

In grade school, students should be encouraged to play all sports. 4HG will equip coaches to ensure kids have fun and get better while keeping a Christian focus. Effort and teamwork are valued above talent and results. 4HG reinforces that the family is central and sports should fit around the family, not vice versa. 4HG programs will be a viable alternative to expensive and time-consuming traveling leagues. 4HG will aid principals in the mission of cultivating excellence within their students. The 4HG program will boost the visibility of Catholic schools and be an asset in growing enrollment.

When sports are used For His Glory, our kids will embrace The Good In Sports.
