From Liturgical Publication, Inc.

Be still and know that I am God. Silence is sacred. Silence speaks the language of the soul and is the foundation of all life and eternity itself. Silence takes us beyond the limits of our minds and allows us to seek and to love the essence of all love, perfect love, and being. In silence, we can be non-verbally present to things and to God in ways that words cannot accomplish. We can discover, encounter, and be present to truths that our minds struggle to conceive and then set aside the boxes we put around things when comprehending them is challenging. We can know the unknowable and touch eternity when we encounter the core silence in our souls.

We can do this even on a noisy street and in the midst of the greatest distraction. Once we have made friends with silence, the rambling noise of the world no longer seems to matter, and we can carry a deep forgiving peace within us, even when physical silence cannot be found. We know that we are loved, cared for, sustained, nourished, embraced, and carried. There is nothing to fear in silence, and I can be present to myself in the same way that God is present to me. I can see myself as God sees me. All of my faults, weaknesses, imperfections, failings, and sinfulness melt away in the abundance of God's mercy. All of the worldly things we see as being important no longer are.

It is in silence that all of the barriers that divide us disappear. There is no more "yours" and "mine" but only the oneness of "ours." There is no longer a need to "figure things out," and we tap into our desire to simply let things be. Silence is creative and powerful and gives us hope. Silence is God's greatest blessing. God became one with humanity in silence. It allows us to be one with all of creation, with the moon and the stars and all of the creatures God has made. The smallest particle of creation radiates with beauty. Silence allows us to soar beyond ourselves and connect in ways that the mind can only imagine. When all is quiet, we begin to see that it is only our fear that keeps us from the Lord. It is our fear that causes us to sink and to fail. We can hear the gentle whisper that tells us to reach for God's hand. We discover that we yearn for the salvation and wholeness that only God can give to us. Be still my soul and be at peace.

EVERYDAY STEWARDSHIP

Being Human is to Doubt

Humans doubt. It's what we do. We doubt ourselves and we doubt others.

Before any of us say anything about Peter's doubting the words of Jesus that told him he could get out of his boat and walk on water, we need to get real with ourselves: How would I respond in the same situation? I remember when I was child taking swimming lessons. One day I simply tightened up my muscles and sank. The lifeguard pulled me up and asked what happened. I said I did not know. The truth is that I was sinking under the weight of my own doubt. I did not believe I could do what clearly, I was told I could. That was only in five feet of water in a pool! Now that I'm older, I can look back and laugh. But an adult, the swimming pool is life, and I would be lying if I said that there are no longer times I find myself sinking due to new doubts.

Much of our doubt comes about because of a lack of trust in God. We place our trust in material things, wealth, or imperfect people instead of the One who is worthy of our trust 100 percent of the time. Our stewardship is often hampered by our doubt that God will provide all that we need. If I give more, I may not have enough to survive! When we place all our trust in God, not only do we find that we have been given all we need – our doubt that cause us to sink in the pool of life fades away. We don't suddenly become perfect in our trust, and there will be times when we find ourselves with concerns again. However, it is in those moments we find that He is still there, speaking the words we need to hear: "Take courage, it is I; do not be afraid." — Tracy Earl Welliver, MTS

WHY DO WE DO THAT? CATHOLIC LIFE EXPLAINED

Marian Feasts

Question: Why does Mary have so many feast days and names?

Answer: Christians first began celebrating feast days in honor of Mary, the Mother of Jesus, in the fifth century. That celebration (originally called the Feast of the Dormition and now known by Roman Catholics as the Solemnity of the Assumption) was celebrated on August 15. Very soon, however, other special days dedicated to Mary began to appear in Jerusalem, Rome, and other major cities of the Christian world. These days of feasting became important parts of the life of the community. But, more importantly, each of these unique celebrations became an opportunity to focus on a different facet of the Christian faith, as believers focused their attention on specific events or mysteries of the lives of Mary and her Son.

Over the centuries, some of these celebrations became universal (such as the Assumption on August 15, the Immaculate Conception on December 8, and the Solemnity of Mary, Mother of God on January 1). Other celebrations were more closely tied to certain religious orders (such as the Carmelites celebration of "Our Lady of Mount Carmel" on July 16 or the Servite Friars feast of the "Seven Sorrows of Mary," which is now celebrated as the Memorial of Our Lady of Sorrows on September 15).

In more recent times, Marian apparitions (like Guadalupe, Lourdes, and Fatima) have inspired special liturgical celebrations. Pope Francis has added two new celebrations of Mary to the Church's calendar: The Memorial of Mary, Mother of the Church (on the Monday after Pentecost) and the Commemoration of Our Lady of Loreto (on December 10). The various titles of Mary (like those we find in the Litany of the Blessed Virgin Mary) help us to reflect on different aspects of Mary's faith and the ways that the Holy Spirit is at work in her and through her, especially as the Mother of Jesus.

In the end, whatever the event or mystery being celebrated in a particular liturgy or the title of Mary being used, we are invited to always see Mary in connection with the saving work of her Son. She is, of course, a patroness and protector for every Christian, but she is also a model of discipleship and contemplation: "Having entered deeply into the history of salvation, Mary, in a way, unites in her person and re-echoes the most important doctrines of the faith: and when she is the subject of preaching and worship she prompts the faithful to come to her Son, to his sacrifice and to the love of the Father" (Lumen Gentium, 65).

LIVE THE LITURGY
INSPIRATION FOR THE WEEK

There is something very sacred about silence. Silence connects us. It is where the heartbeat of all of creation — and its life blood and source — are embraced and where oneness is experienced. When in the presence of an environment that is silent, the worries, tribulations, struggles, and challenges of life seem to fade away, and we can experience a peaceful whisper. We can call that whisper God. Through the practice of contemplative prayer, we can find our way to that inner place of silence even in the midst of great distraction, busyness, and noise. The silence becomes one with us and grounds us. When we become friends with silence, friends with God, we can hear the gentle whisper of God's voice saying, "Come, stay here. Trust me and you will not fall."

Area News & Events

**Hello fellow parishioners of St. Nicholas!**

My name is Annie Bunnell and I've been a parishioner at St. Nicholas all twenty-one years of my life. I am the 8th of 9 kids and was homeschooled my whole life. I spent two years at the University of Mary in North Dakota and was studying Psychology and Catholic Studies. While at school, the Lord put mission work on my heart and so I joined a Catholic

organization called NET Ministries! NET is a nonprofit organization whose mission is to *Challenge Young Catholics to Love Christ and Embrace the Life of the Church*. NET is an acronym and it stands for National Evangelization Team. This organization has teams that travel throughout the country putting on retreats for middle and high school youth!

This past year I had the amazing opportunity to serve as a missionary on a team to put on retreats. My mission year was such a life changing experience! The Lord blessed us all so much and it was quite beautiful to see Him work through us and for us throughout our time serving on the road – and even now after that! After serving one year traveling around the country reaching out to youth and spreading the Gospel message, the Lord has called me to another year of mission work! This year, I'm excited to announce that I'll be working in St. Paul at the NET Ministries headquarters as a schedule assistant on our scheduling team!

Because NET is a nonprofit organization, we as missionaries are asked to raise \$6,000-\$7,000. This is a small amount compared to the amount it takes to house us, feed us, and care for us as missionaries, which is \$22,000. So, I'm asking if you would like to partner with me in this mission - to be part of spreading the Lord and His love to others around our country! You can donate by going to the NET Ministries website at www.netusa.org/supportamissionary, typing in my name under the missionary line and following the prompt from there! You also have the option of donating one time or making it a monthly donation. Thank you for your consideration and generosity in advance - every little bit counts! There's no donation that's too small! If you're not able to support me financially, please hold me and the ministry in your prayers! Thank you so much for your love, support and prayers and know of my continued prayers for all of you!
