Victoria Barrera
PO Box 200391
Arlington, TX 76006-0391

Dear Ms. Victoria Barrera:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Mr. and Mrs. Michael Baldock:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Dear Ms. Sarah Vasquez:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Ms. Maria Del Rosario:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Arlington, TX 76006-2955

Dear Arinze Awagu:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Dear Mr. and Mrs. Michael Lange:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Miss Brittany Burris:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Brian and Sue Stalzer
1112 River Park Dr
Arlington, TX 76006-3944

Dear Mr. & Mrs. Brian Stalzer:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. Dave Rogers:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

Arlington, TX 76006-4804

Dear Ms. Lilian Juarez:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. & Mrs. Charles Boese:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Viet & Ngan Dinh
2105 Hunter Place Ln
Arlington, TX 76006-5763

Dear Mr. & Mrs. Viet Dinh:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mrs. Eugenia Wasson & Mr. Nabor Avila:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

1907 Bosque Ln
Arlington, TX 76006-6619

Dear Mark Hoak:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Mr. and Mrs. Nery R & Elizabeth A Velasquez:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Dear Ms. Kaitlyn Parsons:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

The Editor

Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

2217 Marvin Gardens St
Arlington, TX 76011-2643

Dear Ms. Grace Bins:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. Tai K Tran & Ms. Linda H Pham:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. Arlington, TX 76011-3454

Dear Ms. Winnie Obunga:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Ramon Alvarado:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

Hector & Brittany Nunez
304 Bryan Dr
Arlington, TX 76011-5610

Dear Mr. & Mrs. Hector Nunez:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. Tom Stalets:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Emilio & Gabriela Vidana
415 N East St Trlr 167
Arlington, TX 76011-7241

Dear Mr. Emilio Vidana & Mrs. Gabriela Vital:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. Thomas Woodson:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Arlington, TX 76012-1722

Dear Mrs. Josefina Flores:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Mr. & Mrs. Ivan Pineda & Mrs. Brianne Mc Cants:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Dear Mrs. Hanny Buechele:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Bryan & Natalie Bolanos
1815 Elmhurst Dr
Arlington, TX 76012-1911

Dear Mr. and Mrs. Bryan Bolanos:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Ronald & Anabel Nagel
902 Bridges Dr
Arlington, TX 76012-2047

Dear Mr. and Mrs. Ronald Nagel:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. & Mrs. George E Berry:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

Arlington, TX 76012-2200

Dear Mr. and Mrs. Gilbert Delgado:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Mr. and Mrs. Paul Windsor:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Dear Mr. & Mrs. Daniel Nutt:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. John Bick:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mrs. Connie Connelly:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. Tom and Sharon Ryan
2306 Pin Oak Ln
Arlington, TX 76012-2929

Dear Mr. and Mrs. Tom Ryan:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. Victor Jaime:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Dear Ms. Beatriz Saldana:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Mr. Fred Helm:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. John Wayne Henderson II:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. Donald & Mary McKean
1317 Cherokee St
Arlington, TX 76012-4309

Dear Mr. and Mrs. Donald McKean:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Ms. Joyce Zachry:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Dear Mrs. Carol Cox:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Arlington, TX 76012-4718

Dear Ms. Paola Hernandez:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Ms. Michele Vouchilas:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. Arlington, TX 76012-5301

Dear Mrs. Angela Suhail:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. & Mrs. Robert Garza:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Arlington, TX 76012-5371

Dear Ms. Kathy Everson:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Emma Heimann:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. "Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

James Brady
1501 Flamingo Dr
Arlington, TX 76012-5514

Dear Mr. James Brady:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. Carlos Torres:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. Jane and Ken Yarbrough
1800 Mossy Oak St
Arlington, TX 76012-5618

Dear Mr. Ken Yarbrough and Mrs. Jane Sanford:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. & Mrs. Felipe Cuellar:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

Tom and Nan Chapman
1803 Foxwood Ct
Arlington, TX 76012-5706

Dear Mr. and Mrs. Tom Chapman:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Dr. and Mrs. David Barrera:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Dear Mr. & Mrs. Thomas Finn:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

The Editor

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Mr. and Mrs. Les Martin:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Arlington, TX 76013-2951

Dear Mr. & Mrs. David B Ladner:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. Joseph F Arrambidez:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

Klaryssa and Patrick Crisanto
4718 Hillside Dr
Arlington, TX 76013-4106

Dear Ms. Klaryssa Crisanto & Mr. Patrick Modrovsky:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. Alex Rosales & Mrs. Brenda Gonzalez:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Dear Mr. and Mrs. Dan Moore:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Ms. Vinh-Khue Hoang:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Arlington, TX 76005-1107

Dear Kelly Schweinsberg-Geffen:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. Jan Richard Ramos:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. Arlington, TX 76005-1238

Dear Marlene Meyers:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. Doug Ricker:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Andre & Juliana Porciuncula
1429 Eden Valleywood Pkwy
Arlington, TX 76005-1407

Dear Mr. Andre Porciuncula & Juliana Andrade:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Mr and Mrs Richard Gatt:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Claudia Santillan

Arlington, TX 76010-0606

Dear Ms. Claudia Santillan:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Jose Pedraza & Graciela Morales:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. & Mrs. Francisco Herrera:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

Gabriel & Christina Amaya
2301 Blue Sage Ln
Arlington, TX 76014-1002

Dear Jr. Gabriel Amaya:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. Mike Wencl:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Brian Culpepper
3005 S Center St Apt 1006
Arlington, TX 76014-3043

Dear Mr. Brian Culpepper:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Mr. Jose Mexquitic & Mrs. Veronica Rivera:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Bruce and Teresa Brown
4607 Elkwood Ln
Arlington, TX 76016-1865

Dear Mr. and Mrs. Bruce Brown:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this <u>every day</u> to help keep us on the right path and keep our fears at bay. The more <u>faith</u> we have in God's plan for each one of us, the more we can control our <u>fear</u>.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. R. Scott Crosier:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. Richard and Courtney Kopecky
2704 Park Place Ct
Arlington, TX 76016-5868

Dear Mr. and Mrs. Richard Kopecky:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Lorena Perez:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

Alphonse & Renee Moulaud
5317 Tamarack Ct
Arlington, TX 76018-1696

Dear Mr and Mrs Alphonse Moulaud:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr and Mrs Brian Innes:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Dear Mr. and Mrs. Matthew Betty:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Mr. & Mrs. Edward Sorg:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Dear Mara Reyes:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Arturo R & Laura Ganoza
4100 Boulder Park Dr
Euless, TX 76040-8534

Dear Mr. & Mrs. Arturo R Ganoza:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Robert & Maria Chapman
1503 Misty Pasture Way
Mansfield, TX 76063-1987

Dear Mr. & Mrs. Robert Chapman:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

The Editor

We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. Osaro Airen:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

Bonnie Steinman
1720 Lake Shore Dr
FT Worth, TX 76103-1517

Dear Mrs. Bonnie Steinman:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. G Michael Harper:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

7108 Yolanda Dr
Fort Worth, TX 76112-4240

Dear Demi Nguyen:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. Thai Le:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Kim Lincoln
6509 Jameson St
Richland Hills, TX 76118-6259

Dear Ms. Kim Lincoln:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. Harold Macias:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Sharon Inman
7033 Greenview Cir S
Fort Worth, TX 76120-1344

Dear Ms. Sharon Inman:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. Lan Nguyen:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Peter Graves
8500 Krista Ln Apt 521
Fort Worth, TX 76120-2750

Dear Mr. Peter Graves:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. Terry Dooley:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Roberto & Maria Leon
2521 Big Spring Dr
Fort Worth, TX 76120-5621

Dear Roberto Leon & Maria Vital-Leon:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

The Editor

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. and Mrs. Nicholas Montero:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Patrick and Karla Reeves
8800 Shelby Oaks Ct
Fort Worth, TX 76140-4825

Dear Dr. and Mrs. J.Patrick Reeves:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr and Mrs Tom Nguyen:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

Dear Mr. and Mrs. Andrew Price:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Mr. Sonny Tran & Mrs. Tuyen Pham:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Dear Mr. and Mrs. Shay Smith:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Ms. Sue Baars:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Dear Ms. Keely Coghlan:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Dear Ms. Janet Jackson:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Dear Mr. & Mrs. Michael Jones:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Grand Prairie, TX 75052-5853

Dear Mr. Vincent Wright:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Enrique & Elizabeth Flores
11504 Slater Dr
Balch Springs, TX 75180-1118

Dear Mr. and Mrs. Enrique Flores:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,

Dear Mr. Brian Susa & Ms. Gail DeGuzman:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

Angelica Alvarez
2606 Briar Glenn Ln # 1206
Arlington, TX 76006

Dear Ms. Angelica Alvarez:

"Joseph, son of David, *do not be afraid* to take Mary your wife, for that which is conceived in her is of the Holy Spirit." *Mt 1:20*

Fear vs Faith. Fear, probably second only to pride, is the cause of many of our faults and failings. Nothing scares me more than the fear of not being in control. I would love to control every aspect of my life. It would make life so much easier if everything and everyone were exactly how I wanted it. But that's not how life is. We can't control so many things in our lives that this fear can become our constant companion.

So, why are we so afraid? To a great extent, it lies in being finite human beings and knowing that, despite all our efforts and the bombardment of marketing that tries to make us believe we are invincible, we are only here for a brief period of time.

In the Bible, we are told 365 times, "Do not be afraid." God knows we need to hear this every day to help keep us on the right path and keep our fears at bay. The more faith we have in God's plan for each one of us, the more we can control our fear.

Succeeding at this is a daily challenge. Hopefully the partial list of the quotes from the Bible on Page 2 will help all of us as we continue our faith journeys and overcoming our fears. Faith in God that he will take care of us in our times of fear is the true answer. As President Franklin D. Roosevelt once said, "The only thing we need to fear is fear itself." Even though he wasn't speaking of fear in the spiritual sense, it does ring true. Fear can bind us, paralyze us, and choke us.

God, please continue to remind us every day, "Do not be afraid." Lead us to Your way, Your truth, and Your life.

Yours in Christ Our Lord,
