Ideas for Use

These flash cards are perfect for teaching children about our beloved Catholic saints.

Print these out on heavy cardstock, laminate them, and place them on a binder ring for easy storage.

You can distribute these to students, checking their recognition, and introducing new saints to them. You can also use them for bulletin displays. Print two copies and play a matching game!

For families, these are a perfect addition to Morning Time or religious education activities. We slip a set into a diaper bag or purse to keep little hands busy during Mass. Your whole family will enjoy these!
