From the Pastor's Desk

Today's Gospel passage reveals how Jesus himself was misunderstood by his own relatives and was criticized, slandered and rejected by the Jewish leaders. His sufferings for us should give us courage for very often our families and friends fail to listen to us and refuse to accept the words of grace, love and encouragement that we offer to them because they are too familiar with us. But we have to face such rejection with prophetic courage because by our Baptism we are called to be prophets like Jesus, sharing his prophetic mission. As prophets, our task is to speak the truth with love and oppose the evils in our society without condoning or encouraging sinful behavior even in our dear ones.

-Peace, Fr. Russell Kovash

NATURAL
Family
PLANNING

Natural Family Planning (NFP) methods represent authentic family planning. They can be used to both achieve and to postpone a pregnancy. NFP makes use of periodic abstinence from sexual intercourse based upon the observation of the woman's natural signs of fertility, in order to space births or to limit the number of children when there is a serious reason to do so... this practice fosters in couples an attitude of respect and wonder in the face of human life, which is sacred. It also fosters profound respect for one's spouse, which is necessary for... authentic intimacy. (*Marriage: Love and Life in the Divine Plan*, U.S. Conference of Catholic Bishops, 2009, p. 20)

From the Music Ministry Office

"Bless the Lord, O my soul, O my soul; worship his holy name. Sing like never before, O my soul; I'll worship your holy name."

This weekend, we find ourselves literally singing "like never before" as we celebrate our first weekend masses in the school gym. It's an opportunity for us to reflect on how our faith sometimes finds us acknowledging God in mundane spaces. Whether it's a simple prayer before a meal at a noisy restaurant or whether it's feeling the need to have our stuff blessed before we use them, our faith has a way of popping up in everyday life, away from church. Perhaps, this transitional period of our community AWAY from our physical church might remind us that God indeed is in the everyday things and in the everyday people that we meet. That on top of improving our physical place of worship, we must remember to make ample room for him in our hearts and in the lives we lead between each mass.

For any inquiries regarding our Music Ministry at St. Joseph's Church, please call/text us at (701) 404-9686 and/or email music@stjparish.com.

Important Notes Regarding Our Summer Enhancement Project

Dear Parishioners,

As of Monday, June 4th, St. Joseph's Parish has begun its summer enhancement project. The project is expected to last six to seven weeks with the expectation of being back in the church for weekend Mass on July 27th/28th. Weekend & daily Mass during this time will be celebrated in our school gym. Mass times will remain the same.

Due to the construction and contractors coming in and out of the church and O'Neill Hall, the normal south and north entrances of the church will be closed off. The new main entrance into the school and parish offices will be the main south doors of the school (door #1). For weekend and daily Mass, the grey back double doors of the gym will also be open for entrance.

Because of the construction, I thought it would be good to address some logistical changes that will occur during this time, particularly as it affects different ministries.

Eucharistic Adoration

There will be no adoration during this time **except** on Saturdays before our evening Mass, from 3:30-4:45 p.m. in the school gym. All are invited to come and spend time with Jesus while he is present on the altar in the Blessed Sacrament. Please also know that one is able to visit the Blessed Sacrament at the hospital chapel.

Extraordinary Ministers of Holy Communion

Four extraordinary ministers of Holy Communion will be needed at each weekend Mass. No precious blood will be distributed during this time. The six stations for distributing will be visibly marked off on the gym floor.

Greeters

The greeters will be stationed at two locations, one station near the south front doors of the school entrance and the other near the north back entrance of the gym. Bulletins will be on the table for you to hand out as people leave Mass.

Ushers

Because of the two entrances used to access the gym, please see to it that two ushers be stationed near the front of the gym and two be stationed near the back. This will allow you to assist anyone who might need help for some matter. The policy for securing the collection will continue as normal.

Confessions

Confessions will continue to be heard in our normal confessionals. Confession times will also remain the same. The confessional line will begin right outside our parish office in the school hallway.

SCRIP

There will be a table located near the south main entrance of the school near the school office where you will be able to continue to purchase SCRIP after Mass.

Bathrooms

Because our church bathrooms are also being updated, we will be using the school bathrooms during our enhancement project. They are located directly to your left as you immediately enter the main entrance of the school.

Please pray that our project goes as scheduled so that we can be back in our church soon!!

Tenth Sunday in Ordinary

Time: In the Gospel today we hear Jesus say, "Whoever does the will of God is my brother and sister and mother." Do you know

what God's will is for you? Make some time this week to hear His voice, and say "yes" to whatever He asks of you. If God is calling you to serve the poor as a member of the Society of St. Vincent de Paul, please contact Tony Fisher, our Conference President (580-0826).

SCRIP Business of the Week: USE SCRIP FOR SUMMER VACATIONS!

For those driving, fill up at Cenex, Holiday, or Exxon, and then stay at Best Western, Comfort Inn, Fairmont, Hyatt, Mainstay, Rodeway, Sleep Inn or use Hotels.com!
