13th Sunday in Ordinary Time

"There was a woman afflicted with hemorrhages for twelve years. She had suffered greatly at the hands of many doctors and had spent all that she had."

-Mark 5: 25-26

IF WE EVER FORGET THAT WE
ARE ONE NATION
UNDER GOD, THEN WE WILL
BE A NATION GONE UNDER.

From the Pastor's Desk

Today's readings speak of the gift of life, both physical and spiritual, that God has given us. They urge and challenge us to be grateful for our health in body and soul and to use God's gifts of life and health responsibly. We are also reminded that each of us is called to continue the healing mission of the Church: As members of the Church, we are not excused from our vocation to be healers. We do our share of Christ's healing mission by visiting the sick, by praying for their healing, and by boosting their morale with our loving presence, words of encouragement and inspiration. Thus, we may enable them to experience the compassion of Jesus the healer.

-Peace, Fr. Russell Kovash

hymns that we have come to love in our parish, mixed
with a few new songs that our musicians have espe-

**This July, we celebrate the
50th anniversary of the Church
document Humanae Vitae.**

Not only has the document stood the test of time, it's opened endless discussion about nothing less than giving of total self, according to God's plan.

Humanae Vitae (Latin for "Of Human Life") is an encyclical written by Pope Paul VI and dated July 25, 1968 that centered around the Church's teaching about married love, responsible parenthood and the continued rejection of unnatural forms of birth control.

It's important to note that the document was immediately met with open dissent from the laity and public opposition. Criticisms came from multiple fronts including development organizations who said it limited ways to fight population growth and to stop the spread of certain diseases.

The Second Vatican Council had ended three years earlier, and there was a good deal of confusion and upheaval from that. It was also the era of the so-called Sexual Revolution and the free-spirited late 1960s. The social context of the era had to have played a role in how the document was received by the faithful.

In honor of the 50th anniversary of the document, the Diocese of Bismarck has devoted much of the June issue of the Dakota Catholic Action (pages 6-12) to offering different views surrounding its core message. It offers the theological viewpoint as well as those from our diocesan bishop and director of family ministry. For more consideration, three couples from different stages of single life and marriage offer their take on how the implementation of natural family planning has impacted their lives. It also features a "his and hers" look at a couple's complete conversion to God's plan for their marriage after coming back from the brink of divorce. These viewpoints and stories come from within our diocese, offering relatable situations from all walks of life.

The truth of the teaching of Humanae Vitae has played out in the 50 years since its release in positive and negative ways, and the anniversary gives us the opportunity to reflect and employ this teaching in our own lives and remaining faithful to God's plan for us and our divine partnership with Him.

If you would like a copy of the Dakota Catholic Action please visit bismarckdiocese.com or if you would like to read Humanae Vitae please visit our website news page at stiparish.com.

Dear brothers and sisters,

Saying goodbye will one day be something of the past. But today we still say goodbye. On July 4th I will drive away from a treasure in my heart Williston, ND to a new home in Killdeer.

Five years ago I was ordained a priest and was sent here to Williston. These five years serving the parishes of St. Joseph, St. John the Baptist, and St. Boniface have been good years. There have been times of suffering but more joy than I foresaw. You have taught me much during my time here. I have grown in maturity, faith, and in love of God.

During my time serving these parishes many of you have seen my love for the Mass. Nothing has given me more joy than God's presence in the Holy Eucharist. Also, nothing has caused me to shed more tears than in the presence of the most Blessed Sacrament. I do not think it coincidental that I was born on the great feast of the Mass, Corpus Christi.

Yet, I realize how little I love Jesus in the Holy Eucharist. At times things of this world seem more fulfilling. I do or say things which lack sanctity. I go hours without thinking of God. Often I lack the awareness of His constant presence given to us in Baptism. I'm a sinner in need of grace. I ask your forgiveness if I have hurt you.

To all of you, to those I see at Mass and those whom I visit at home or the nursing home, you have shown great love to me and I thank you for it. Pray often for me. Continue to show your love to Father Russell Kovash your pastor and the new priest who will be coming when I leave, Father Gregory Luger.

Today I say goodbye to you. I trust and pray that we will see each other again, if not on earth then in heaven where there are no goodbyes. I encourage you to blow the flame of faith in your heart into larger flames by attending Mass often, praying the rosary daily, regular repentance and confession, encouraging your neighbors, and reaching out to fellow parishioners. May we all attain heaven where saying goodbye will be something of the past.

Prayers and many thanks. May Jesus keep you safe for eternal life!

In Christ,

Fr. Joseph

July 1 – 13th Sunday in

Ordinary Time: In today's Gospel we see how in faith, Jairus asked Jesus to heal his daughter and how Jesus then answered his prayer. In prayer we come to know that we are loved by God, and in that trust we ask for healing for ourselves, our loved ones, and all those who are suffering. Through your gifts, the Society of St. Vincent de Paul brings the love and healing of Jesus to our suffering neighbors. Tony Fisher, our Conference President (701-404-9986).
