2nd Sunday in Advent

"Then the wolf shall be a guest of the lamb, and the leopard shall lie down with the kid; the calf and the young lion shall browse together, with a little child to guide them."

- Isaiah 11:6

Are you allowing a little child, the babe of Bethlehem, the God-man, to guide you?

This Advent, take time to allow the gentleness, peace, and joy of the child Jesus to calm you and lead you to wholeness in your relationship with God and with others!

From the Pastor's Desk

In our Gospel reading this weekend, John the Baptist, the stern and uncompromising preacher, challenges our superficial attempts at change, demanding that we take a deeper look. "Conversion is a change in life-style: from the wrong direction to the right; from the material to the spiritual; from selfishness to selflessness; from living for wealth to living for God ; from meanness to generosity; from indifference to love; from pride to humility; from bad to good; from no to yes to God." (Joe Vemp). Obeying the commandments is a good start, but we must also examine our relationships with others. Let us remember the oft-repeated words of Alexander Pope: "What does it profit me if Jesus is reborn in thousands of cribs all over the world and not reborn in my heart?" Jesus, help me to become more like you this Advent!!!!!!!

- Peace, Fr. Russell Kovash

Advent Confessions, Dec 15th, 6pm

St. Joseph's Advent Confessions service will be on Sunday, December 15, 2019 at 6pm with our priests and area priests available to hear your confessions. Every adult and child (of age) from our three parishes is invited and encouraged to make a good confession this Advent season. If this time does not work, please take advantage of our normal confession times offered before Mass at our parishes. St. Augustine says that "the confession of evil works is the first beginning of good works." Be not afraid to do this good work no matter what seems to prevent you! Frequent confession is a sign that one depends upon God as one's Savior and not oneself. Advent is the beginning of a new year for our Catholic lives. Why not start fresh with a clean soul?

The Solemnity of the Immaculate Conception, a holy day of obligation, is normally celebrated on Dec 8th. This year, the feast falls on a Sunday in Advent, which ranks higher than a Solemnity. However, since this Solemnity is the patronal feast day of the United States, its celebration is transferred to Monday, Dec 9th.

This day is not a Holy Day of obligation because the obligation is attached to its original calendar date, Dec 8th. Nonetheless, you are encouraged to attend Mass on Dec 9th and ask for Our Lady's intercession and protection for our country!

STRIVE™

21-DAY DETOX FROM PORN

with Matt Fradd

STRIVE: A 21-Day Detox from Porn, is an online video series written and hosted by Matt Fradd. STRIVE is for men who wish to break free from a porn addiction. Participants sign up at strive21.com to receive access to daily videos in which Fradd takes viewers on a step-by-step process of ridding their lives of pornography. He draws on his eight years of experience com-

bating porn. He explains through the following, "I know what works, and what doesn't. I can help viewers begin down the path to lasting success. Over the past eight years, I've spoken to as many as a million people on the topic. Everywhere I go it is a huge issue with the majority of people I encounter. The problem is exacerbated by the fact that we all carry around with us a potential portable, X-rated movie theater that can also be used to make phone calls. ... I'm also hearing about an increasing number of young women addicted to porn, as well as children who at ages 8 to 12 are first getting exposed to it, and then going on to be regular consumers. Over the past 40 years there have been studies conducted by different branches of science on porn's sociological, psychological and neurological effects on viewers. It was previously thought that for something to be addictive, it had to be a substance that you put into your body. But we know from the DSM-5 {{Diagnostic and Statistical Manual of Mental Disorders, fifth edition}} that one of the five categories of addiction is natural addiction like pathological gambling. Such behaviors can produce the same effect in the brain as a substance like alcohol. Pornography elicits powerful neurotransmitters, called dopamine, in the brain that can lead to us getting addicted. Our brain gets over stimulated, and its reward center becomes numbed. In this state of atrophy, our brain craves dopamine, which drives us to more pornography. But as our brain keeps craving dopamine, it craves a harder drug, by which I mean porn, which features deviant sexual behavior and unnatural fetishes. The viewer suffers in a variety of ways, such as from anxiety, depression, isolation and marital breakdown. It can also affect us physically, making it more difficult for us to engage in and enjoy sexual relations with another person....The first step is to expose it to the antiseptic life of truth. Bring your problem to a trusted friend to whom you can be accountable. Second, if you're a Catholic, you can repent and go to the Sacrament of Confession and receive the graces that God offers. I would also recommend Catholics get the support of a good spiritual director... I'd remind people that patient perseverance is necessary. The wounds didn't occur overnight, and they're not going to vanish overnight..." Join Matt Fradd in the fight against porn and register free for STRIVE!
