First Sunday of Lent

Filled with the Holy Spirit, Jesus returned from the Jordan and was led by the Spirit into the desert for forty days, to be tempted by the devil.

Luke 4:1

From the Pastor's Desk

Lent begins with a reflection on the Temptation of Jesus in the wilderness. The Church assigns temptation stories to the beginning of Lent because temptations come to everybody, not only to Jesus, and we seem almost genetically programmed to yield to them. Like Jesus, every one of us is tempted to seek sinful pleasures, easy wealth and positions of authority. We are drawn to the use of unjust or sinful means to attain good ends. Jesus sets a model for conquering temptations through prayer, penance and the effective use of the "word of God." Temptations make us true warriors of God by strengthening our minds and hearts. Let us never forget that we are never tempted beyond our power and each time we withstand temptation, we enable ourselves to know Jesus more clearly, to love him more dearly, and to follow him more nearly, day by day.

-Peace, Fr. Russell Kovash

Prayer gives consistency and vitality to everything we do.

How Will You Leave a Legacy?

You can avoid excess taxes by giving certain appreciated securities, art, or coin/stamp collections to St. Joseph's Parish. This is a very attractive and substantial way to make a memorial gift.

The Fruits of Fr. Ray Aydt's Generosity!!

Due to the generosity of Fr. Raymond Aydt, God rest his soul, the students of our three parishes now have opportunities to attend youth events that may not have been possible in the past. When Fr. Aydt passed away, he left us a generous sum of money, (just over \$85,000) which upon discussion from our finance council, we decided to earmark for the ongoing faith formation of our youth. In January, several of our students attended various conferences and events. I asked each of them to write a short paragraph as to how these events impacted them. Listed below are their comments, as well as a comment from one of our adult parishioners who joined them. I share this with you so as to encourage many others to take advantage of these great opportunities in the future!!

TESTIMONIES FROM INDIVIDUALS WHO ATTENDED SEEK 2019 IN INDIANAPOLIS

As someone who has never been to any sort of spiritual retreat, I truly did not know what to expect from this year's SEEK conference in Indianapolis. Going in, I knew there would be a lot of Catholics there, and that I would probably pick up some new ideas about my faith. While both of these things were true, not only did the people I encountered and the things I learned immensely exceed my expectations, but they were accompanied by many more benefits. I can say with full confidence that at the SEEK conference the Holy Spirit truly shaped my life for the better. Whether it was through experiencing adoration with 17,000 other Catholics, or hearing the most passionate people I've ever come across speak about our Lord Jesus Christ; undoubtedly this conference has changed my life. I would recommend SEEK to anyone who wants to deepen their faith in Jesus; as well as obtain a fuller understanding of so many of our Church's teachings. From theological insights to personal conversion stories, SEEK has it all. This gathering of Catholics from all over the country is truly the work of the Holy Spirit, and was one of the best experiences of my life.

- Brett Matthew Doeden

My experience at SEEK 2019 was fantastic. The spiritual growth that I encountered at SEEK was amazing. Some of the great talks that I heard were from speakers like Fr. Mike Schmitz, Trent Horn, Scott Hahn, Chris Stefanick, Edward Sri, Sarah Swafford, Jason Evert, and many more. It gave me great hope for the Church and the world to see 17,000+ young adults striving for sainthood. The content of the talks was very helpful. I learned a lot about what it means to be a man in the Church today. I experienced adoration like never before. On top of all that, I was able to have fun with my friends in Indianapolis for 5 days. I will never forget all that I encountered at SEEK 2019. The experience was truly life changing.

-Jamie Kohler

SEEK was a wonderful experience. I had gone to similar conferences, such as Steubenville, in high school and once I got to college I really did not expect an opportunity to return to another conference. I loved how real SEEK was. In high school, a lot of the talks were kind of fun and we were all on fire with God - a celebration - but at SEEK it became much more personal. Each speaker, often with humor included, reached you in a different way, and you really learn about yourself as well as get the opportunity to reflect on your relationship with the Lord. I am so grateful for having had the opportunity to go to this conference and I strongly encourage anyone who is considering going to SEEK to do it. I guarantee you will not regret it.

- Jocelyn Lysne

Seek 2019 was a very powerful experience for me along with the 15,000 other Catholic college students. I learned a lot about the depth of our faith and to apply that into regular life. Throughout Seek we were constantly reminded that no matter what we have done in our past God loves each and every one of us an unmeasurable amount. We had the opportunity to attend confession, which was a humbling experience to stand in a confession line with over 5,000 other people going through the same thing as you. Adoration was one of the most powerful experiences I have ever been through, it is unlike no other and at Seek we were taught the importance of your time with God. Seek has extended my prayer life immensely and strengthened my faith overall, bringing me much closer to God.

-Jami Wells

TESTIMONIES FROM INDIVIDUALS WHO STEUBENVILLE CONFERENCE—PRO LIFE MARCH IN WASHINGTON DC

In the summer of 2018, I had the opportunity to go to Steubenville in St. Paul, Minnesota Steubenville Conference. At first, I was scared to go because I had never been to a retreat and I didn't know anyone. After I met my roommate, we hung out the whole weekend. We both helped each other through the powerful weekend. That trip changed my life within my faith. I wanted to continue exploring my faith because of how powerful and full that weekend made me feel. I had such a good time that I spent six hours in the car talking to my aunt about my experience. I am so glad that I decided to go and that I grew in my faith. I can't wait to go again and be with all the great people that I met at my first Steubenville!

January 18, 2019 was the day I got to see hundreds of thousands of people from across country at the March for Life in Washington DC. We all marched for the unborn presidents, police, scientists, and world changing people. All the unborn sisters, brothers, best friends, and family members. It was a week full of long bus trips, praying rosaries, and praying for the unborn babies and parents of the unborn babies. I reconnected with people I met on other trips, met new friends, and gained a new prayer group. I still don't have a lot of words about my trip because of all we did and saw. I would definitely go to Washington, D.C. even if that means I have to spend 3 days in bus! I am so excited to see all my friends again when I go back to Washington! - **Kiara Mehlhoff**

This was my first time attending the March for Life in Washington D.C. It was a very powerful experience for me. The number of people that marched that day was unbelievable. I was most impressed by the young people around me. They inspired me by their kindness, patience, prayerfulness and passion for standing up for LIFE! I strongly encourage everyone to continue to pray for the March for Life and other organizations that are trying to protect all life from the pre-born to the elderly. -**Kristal Schmit**
