## 23rd Sunday in Ordinary Time

*"Who can know God's counsel, or who can conceive what the LORD intends? . . . And scarce do we guess the things on earth, and what is within our grasp we find with difficulty; but when things are in heaven, who can search them out? Or who ever knew Your counsel, except You had given wisdom and sent Your Holy Spirit from on high? And thus were the paths of those on earth made straight."*

- Wisdom 9:13,16-18

## From the Pastor's Desk

Today's passage in Luke puzzles a lot of people, and that is because in the Middle East, anyone who deliberately cut ties with family and social network would lose the ordinary means of making a living. Further, a person's life and family relationships were a necessity for security and identity, regardless of social position. Why was Jesus, who had been recommending that his followers love everybody—including their enemies—suddenly announcing that no one could be his disciple unless he hated his own family? Did Jesus really mean that we must "hate" those nearest and dearest to us? No, Jesus uses this very strong language as an example of Semitic hyperbole or exaggeration, spoken for effect. Matthew's gospel confirms this. "Whoever loves father or mother more than me is not worthy of me; and whoever loves son or daughter more than me is not worthy of me; and whoever does not take up the cross and follow me is not worthy of me." (Mt 10:37-38). When Jesus said "hate your family," he was talking about spiritual detachment, the ability to put God first in all aspects of our lives, including our relationships. Without such detachment, one does not have the ability truly to follow Jesus.

**\*\*\*A note from the Director of Religious Education**

Dear parents of our K-12 children,

I look forward to working with you and your children as we head into our Faith Formation year. Faith Formation classes begin this Wednesday at St. Joseph's. If you have not yet done so, please register your children in Faith Formation online at [stjparish.com](http://stjparish.com). All children attending must be registered. Even if your children have already received their sacraments, I encourage you to have them continue attending classes not dedicated solely to sacramental preparation. Thank you for walking with them on their faith journey! Each and every moment, day, year, of your child's life is important to God, and the Church wishes to be by your side assisting you as you help your children to know, love, and serve the good God who knows, loves, and humbly serves us first! Know that St. Joseph's is always here for you. Don't hesitate to call or email me about any questions. I look forward to seeing you on Wednesday!

Letters have been sent to 8th and 9th grade parents with necessary info regarding Confirmation. If you have not received a letter and your child is getting Confirmed this October or next year, please let me know. First Communion parents, watch for a letter soon in your mailbox!

**MEETINGS ON WEDNESDAYS  
BEGINNING SEPTEMBER 11, 2019**

TIME: 7:00PM-8:30PM  
LOCATION: ST. JOSEPH LIBRARY

### **Principal's Corner**

Our first couple of weeks of school are behind us and it has gone extremely well! Our new teachers and students have settled into a routine and are excited to be at St. Joseph's Catholic School. There is still time to enroll your child(ren) in St. Joseph's Elementary school. There are classroom spots available in most grades, with the exception of Full-day Pre-K, 1st grade, and 6th grade. If you are interested in a grade that is currently full, your child's name can be added to our Wait List. Please call the office at 572-6384 to enroll or if we can answer any questions that you may have.

Beginning next week we will begin highlighting one of our teachers/staff members every week. This gives our parish members an opportunity to learn more about our teachers and staff and know what they look like. You may have noticed that the tire chips on the playground are gone and have been replaced with a turf surface. The students love the new look and find it quite wonderful to play on. We are working hard on reminding our students to close the gates to the playground so that our furry friends stay off the turf. If you notice the gates are open or if you come in the evening or weekend to play on the playground, we ask that you make sure all gates are shut when you are present and when you leave. This prevents our furry friends from leaving "deposits" on the turf. Thank you!

There will be a School Board meeting on Tuesday, September 10 at 4:30. We will meet in the Conference Room. Terri Ryder Photography will be taking School Pictures at St. Joseph's school this year. Picture Day will be held on Thursday, September 19<sup>th</sup> beginning at 8:00. Grade 6 will need to have their photos taken first beginning at 8:00. Flyers will be sent home with each student.

# STRIVE

21-DAY DETOX FROM PORN

by Matt Fradd

*STRIVE: A 21 -Day Detox from Porn*, is an online video series written and hosted by Matt Fradd. STRIVE is for men who wish to break free from a porn addiction. Participants sign up at [strive21.com](http://strive21.com) to receive access to daily videos in which Fradd takes viewers on a step-by-step process of ridding their lives of pornography. He draws on his eight years of experience combating porn. He explains through the following, "I know what works, and what doesn't. I can help viewers begin down the path to lasting success. Over the past eight years, I've spoken to as many as a million people on the topic. Everywhere I go it is a huge issue with the ma-

jority of people I encounter. The problem is exacerbated by the fact that we all carry around with us a potential portable, X-rated movie theater that can also be used to make phone calls. ... I'm also hearing about an increasing number of young women addicted to porn, as well as children who at ages 8 to 12 are first getting exposed to it, and then going on to be regular consumers. Over the past 40 years there have been studies conducted by different branches of science on porn's sociological, psychological and neurological effects on viewers. It was previously thought that for something to be addictive, it had to be a substance that you put into your body. But we know from the DSM-5 {{Diagnostic and Statistical Manual of Mental Disorders, fifth edition}} that one of the five categories of addiction is natural addiction like pathological gambling. Such behaviors can produce the same effect in the brain as a substance like alcohol. Pornography elicits powerful neurotransmitters, called dopamine, in the brain that can lead to us getting addicted. Our brain gets over stimulated, and its reward center becomes numbed. In this state of atrophy, our brain craves dopamine, which drives us to more pornography. But as our brain keeps craving dopamine, it craves a harder drug, by which I mean porn, which features deviant sexual behavior and unnatural fetishes. The viewer suffers in a variety of ways, such as from anxiety, depression, isolation and marital breakdown. It can also affect us physically, making it more difficult for us to engage in and enjoy sexual relations with another person.... The first step is to expose it to the antiseptic life of truth. Bring your problem to a trusted friend to whom you can be accountable. Second, if you're a Catholic, you can repent and go to the Sacrament of Confession and receive the graces that God offers. I would also recommend Catholics get the support of a good spiritual director... I'd remind people that patient perseverance is necessary. The wounds didn't occur overnight, and they're not going to vanish overnight..." Join Matt Fradd in the fight against porn by registering free for STRIVE!

**VOLUNTEER WITH ST. VINCENT DE PAUL**

: In today's Gospel, Jesus lays out the demands of following him, the great cost of discipleship. The Mission Statement of the Society of St. Vincent de Paul states: "Vincentians witness God's love by

embracing all works of charity and justice...the Society makes no distinction in those served because, in them, Vincentians see the face of Christ." Have you considered answering the call to help serve the poor by joining the Society of St. Vincent de Paul? Call Tony Fisher, our Conference President (701-404-9986).

**SCRIP Business of the Week:  
"SUBWAY"**

Check out their sub of the day or try one of their signature wraps or order off their fresh fit menu. Better yet, try one of their breakfast subs, either 6" or foot long, on a flatbread: egg & cheese, black forest ham, egg & cheese, bacon, or steak. Even the kids enjoy a healthy meal with a 3" mini sub of turkey, ham, or roast beef. They get to choose between an apple, cookie, juice, or milk. How about trying one of their 15 chopped salads and don't forget their catering for that special event serving party platters and giant 3' subs!
