## 25th Sunday in Ordinary Time

*"No servant can serve two masters.  
He will either hate one and love the other,  
or be devoted to one and despise the other."  
-Luke 16:13*

## Whom will you serve?

### From the Pastor's Desk

The cruelty of the treacherous people of the first reading who cannot wait for the chance to "buy the lowly for silver, and the poor for a pair of sandals" is almost too much to bear. And yet, all of us would fall prey to the lure of such ruthlessness if we did not love and serve the one Master Jesus Christ "who gave himself as a ransom for all." Probably the first time that those cold-hearted merchants "fixed their scales for cheating" it seemed to them like a very small matter. But "the person who is dishonest in very small matters is also dishonest in great ones." Our choices do indeed make a difference, both in our lives and in the world, and certainly in regards to our salvation. By using wealth properly, as a means for the necessary goods of life and for the works of charity, we act as prudent stewards and prepare for an eternal dwelling.

-Peace, Fr. Russell Kovash

To kick start this off, the 177 Project is coming to St. Joseph's on **Tuesday, October 15th, 2019**. The 177 Project is a nationwide tour designed to help bring more people into Eucharistic Adoration. In the Fall of 2018, the tour visited 125 different parishes and witnessed 30,000 people attend one of their Adoration evenings. The evening begins with an acoustic concert before moving into a Holy Hour. Confession will also be offered during Adoration. # STRIVE™

21-DAY DETOX FROM PORN

by Matt Fradd

*STRIVE: A 21 -Day Detox from Porn*, is an online video series written and hosted by Matt Fradd. STRIVE is for men who wish to break free from a porn addiction. Participants sign up at [strive21.com](http://strive21.com) to receive access to daily videos in which Fradd takes viewers on a step-by-step process of ridding their lives of pornography. He draws on his eight years of experience combating porn. He explains through the following, "I know what works, and what doesn't. I can help viewers begin down the path to lasting success. Over the past eight years, I've spoken to as many as a million people on the topic. Everywhere I go it is a huge issue with the majority of people I encounter. The problem is exacerbated by the fact that we all carry around with us a potential portable, X-rated movie theater that can also be used to make phone calls. ... I'm also hearing about an increasing number of young women addicted to porn, as well as children who at ages 8 to 12 are first getting exposed to it, and then going on to be regular consumers. Over the past 40 years there have been studies conducted by different branches of science on porn's sociological, psychological and neurological effects on viewers. It was previously thought that for something to be addictive, it had to be a substance that you put into your body. But we know from the DSM-5 {{Diagnostic and Statistical Manual of Mental Disorders, fifth edition}} that one of the five categories of addiction is natural addiction like pathological gambling. Such behaviors can produce the same effect in the brain as a substance like alcohol. Pornography elicits powerful neurotransmitters, called dopamine, in the brain that can lead to us getting addicted. Our brain gets over stimulated, and its reward center becomes numbed. In this state of atrophy, our brain craves dopamine, which drives us to more pornography. But as our brain keeps craving dopamine, it craves a harder drug, by which I mean porn, which features deviant sexual behavior and unnatural fetishes. The viewer suffers in a variety of ways, such as from anxiety, depression, isolation and marital breakdown. It can also affect us physically, making it more difficult for us to engage in and enjoy sexual relations with another person....The first step is to expose it to the antiseptic life of truth. Bring your problem to a trusted friend to whom you can be accountable. Second, if you're a Catholic, you can repent and go to the Sacrament of Confession and receive the graces that God offers. I would also recommend Catholics get the support of a good spiritual director... I'd remind people that patient perseverance is necessary. The wounds didn't occur overnight, and they're not going to vanish overnight..." Join Matt Fradd in the fight against porn and register free for STRIVE!

**Mass for  
God's Children**

A Mass for God's Children will be offered for all the children that God has called to His arms directly from the womb or from the care of his or her parents before adulthood.

Often, families who have lost a child in the womb do not have the opportunity to grieve their loss with their faith community, and families who have otherwise lost a child yearn for further opportunities to remember, grieve, and pray for them.

*All are welcome to attend, please join us in praying for these children and their families.*

If you would like your child or family remembered in the program, and/or if your family would like to process a flower to the Mary statue to ask for her prayers for your child and family, register online at [bismarckdiocese.com/godschildren](http://bismarckdiocese.com/godschildren) or contact Christie at 864-354-5046 or [ccollins@bismarckdiocese.com](mailto:ccollins@bismarckdiocese.com).

There is still time to enroll your child(ren) in St. Joseph's Elementary school. There are classroom spots available in most grades, with the exception of Full-day Pre-K, 1st grade, and 6th grade. If you are interested in a grade that is currently full, your child's name can be added to our Wait List. Please call the office at 572-6384 to enroll or if we can answer any questions that you may have.

You may have noticed that the tire chips on the playground are gone and have been replaced with a turf surface. A big thank you to our PTO parents who worked so hard fundraising so that our playground has a new look! While the students love the new look and find it quite wonderful to play on, we are working hard on reminding our students to close the gates to the playground so that our furry friends stay off the turf. If you notice the gates are open or if you come in the evening or weekend to play on the playground, we ask that you make sure all gates are shut when you are present and when you leave. This prevents our furry friends from leaving "deposits" on the turf. Thank you!

There will be a PTO meeting on Monday, September 30<sup>th</sup> at 7:00 p.m. ALL parents are invited to attend. Agenda items include fundraising, Fall Festival, October Family Fun Night (Larsen farm).

The first Family Fun Night will be held on Thursday, October 3 at the Larsen Farm. There will be more information next week.

Thursday, September 26 is Non-Coordinated Dress Day (NCDD). All students that wear NCDD must bring \$0.25. The money will be donated to "The Water Project." Did you know that nearly 1 billion people don't have safe water to drink? For more information on the Water Project you can visit the website: [www.thewaterproject.org](http://www.thewaterproject.org).
