25th Sunday in Ordinary Time

*"Seek the LORD while he may be found,
call Him while he is near.*

*Let the scoundrel forsake his way,
and the wicked his thoughts;
let him turn to the LORD for mercy;
to our God, who is generous in forgiving."*
~Isaiah 55:6-7

From the Pastor's Desk

If we are totally honest with ourselves, then this gospel will bother us some – perhaps even a lot. “It isn’t fair” we might say. The fact of the matter is that God’s view of justice and fairness is often much different than our view. The parable tells us that our heavenly reward is not something we earn but rather is a free gift. God has made His rewards available to all through faith in Christ Jesus. In fact, what we really deserve for our sins is death. This parable should cause us to be immensely grateful for at least two things: First, for God’s ridiculous generosity towards us. As long as we have the breath of life in us, it is never too late to go to work for God. And second, we can be thankful that God does not deal with us according to our own notion of justice and fairness. If he did, we would have a terrible fate.

-Peace, Fr. Russell Kovash

YOU HAVE THE ABILITY TO LEAVE A LEGACY!

Life insurance policies assigned to a parish can mean substantial gifts. They are easy to assign and avoid taxes and estate complications. Would you consider designating our parish as one of your beneficiaries?

A Thank You from Deacon Jacob Degele

Dear parishioners,

Thank you for your generosity this past summer and for all you've done for me the past two summers, especially in helping form me into being a priest of Jesus Christ! Your faithful dedication to the Lord and His Church has stirred up a great zeal to serve the good people of the Diocese of Bismarck. On a side note, this week I begin practicing hearing confessions...it is powerful praying the prayer of absolution, even if it is only pretend for now! Please continue praying for me and know of my prayers for you.

Holy Land Collection this weekend—Every year on Good Friday, a collection is taken up in Catholic Churches to support the work of the Franciscans working in the Holy Land. Christians there rely heavily on the help that comes to them from this worldwide collection. This year, since measures to prevent the spread of the coronavirus prohibited gatherings in churches, the traditional Good Friday Collection for the Holy Land was postponed to September. The Franciscan Monastery of the Holy Land in America is part of a world-wide network of Commissariats of the Holy Land which function as bridges between the Holy Land and Christians all over the world. The Franciscan Monastery in Washington, D.C., coordinates this vital support for the work of the Franciscans who work in the Holy Land. The Franciscans of the Custody of the Holy Land have the unique responsibility to care for the Holy Places as well for the "Living Stones," the Christians living there. It is vital that we support Christians living in the Holy Land, in order to maintain a Christian presence in the very land made holy by the life, death and Resurrection of Jesus. Please be generous!

63rd Annual God's Share Appeal This year's theme, "All good giving and every perfect gift is from above" James 1:17 reminds us of our personal challenge to practice our faith as Christian stewards. Believing that God is the Creator of all; recognizing the gifts and talents God has blessed us with; tending to our gifts and talents; and returning them to God with increase are the daily principles that energize Christian stewards. It is only because of generous Catholics like you that Bishop Kagan is able to meet the ever increasing needs of the programs and services provided to our parishioners and parishes. Because of your outpouring of generous support to our Appeal, we are able to provide critical funding that enables the Church in western ND to form our youth and adults in faith, promote the dignity of life and marriage, and foster vocations to the priesthood. Each parish operating on its own can only do so much, but when parishes join together, linking the people of our Diocese together, we can realize our unlimited potential. Please give generously!!! Please contact the Diocese at 701-204-7202 for any questions.

Catechetical Sunday, Sept 20th

This weekend is Catechetical Sunday. We thank God for the parents, the first catechists of their children, who hand down the faith to their kids. In a special way, we are also extremely grateful to the men and women at our parishes who volunteer their time to teach children to know, love and serve God in our Faith Formation programs.

Please take a moment to prayer for all catechists this weekend!

A Prayer for Catechists

Heavenly Father, you are the source of life and love. Send down your Spirit upon these catechists. Inspire them to be not only teachers of your truth, but witnesses of your love. Give them the joy to proclaim the Good News of salvation. Help them see your will at work in their lives so that they may share it with others. May they, in their words and deeds, offer continual praise to the one who saves us. Give them the wisdom to teach. Help them discover the mysteries of our faith in new and exciting ways. May their curiosity inspire those who they instruct to become your loyal disciples. We pray to you, almighty Father, in the name of your Son, Jesus Christ, and in unity with the Holy Spirit. Amen.

Saint of the Week: St. Pio of Pietrelcina

Feast day: Sept 23rd

Birth: May 25, 1887,

Death: September 23, 1968,

Canonized: June 16, 2002

Francesco Forgione was born on May 25, 1887, in Pietrelcina, Italy. He stated that by the time he was five years old, he had already made the decision to dedicate his entire life to God. His parents were peasant farmers. He worked on the land up to the age of 10, looking after the small flock of sheep the family owned. His family was deeply religious and they attended Mass daily, prayed the Rosary nightly, and abstained from meat three days a week in honor of Our Lady of Mount Carmel. Although Francesco's parents and grandparents were illiterate, they narrated Bible stories to their children. Francesco was afflicted with a number of illnesses from a young age. At six he suffered from severe gastroenteritis. At ten he caught typhoid fever.

As a youth, Francesco reported that he had experienced heavenly visions and ecstasies. In 1897, after he had completed three years at the public school, Francesco was said to have been drawn to the life of a friar. When Francesco expressed his desire to his parents, they made a trip to Morcone to find out if their son was eligible to enter the Order. The friars there informed them that they were interested in accepting Francesco but that he needed to be better educated. Francesco's father went to the United States in search of work to pay for private tutoring for his son. At age 15, he entered the novitiate of the Capuchin friars at Morcone and took the name Pio in honor of St. Pius I. He was ordained a priest in 1910 and was drafted during World War I. After he was discovered to have tuberculosis, he was discharged. In 1917, he was assigned to the San Giovanni Rotondo friary.

On September 20, 1918, as he was making his thanksgiving after Mass, Padre Pio had a vision of Jesus. When the vision ended, he had the stigmata in his hands, feet, and side. Life became more complicated after that. Medical doctors, Church authorities, and curiosity seekers came to see Padre Pio. In 1924, and again in 1931, the authenticity of the stigmata was questioned; Padre Pio was not permitted to celebrate Mass publicly or to hear confessions. He did not complain of these decisions, which were soon reversed. Padre Pio rarely left the friary after he received the stigmata, but busloads of people soon began coming to see him. In time his confessional ministry would take 10 hours a day; penitents had to take a number so that the situation could be handled. Many of them said that Padre Pio knew details of their lives that they had never mentioned. A number of people have reported cures they believe were received through the intercession of Padre Pio. Those who assisted at his Masses came away edified; several curiosity seekers were deeply moved. Like Saint Francis, Padre Pio sometimes had his habit torn or cut by souvenir hunters. He died on September 23, 1968.

School has been in session for a little over 3 weeks and all is going extremely well! Our teachers, staff, and students are doing a phenomenal job of wearing masks, cleaning, sanitizing, and social distancing. The students are eating lunch in their classrooms and love their daily class picnic lunch!!

The teachers and staff at St. Joseph's have been working very hard on ensuring that the school year is going very smoothly, and that school is as near normal as it can be. They go the extra mile each day because of their students. Teachers and staff please know how much you are appreciated!!

The U.S.D.A has announced that the summer flexible free meal program until the funds are expended or December 31 whichever comes first. This new program has been a great benefit for our students as more kiddos are eating breakfast at school in the mornings. A good nourishing breakfast is keeping the brain power going until lunch. The program ensures that all students attending St. Joseph's School will receive breakfast and lunch at no cost.

An order for school apparel has been placed. If you are interested in ordering something, please let Mrs. Lysne in the school office know right away (701-572-6384). If you do not catch this order, she will be placing another order soon as we anticipate lots of students will want to make purchases, especially as the days are getting cooler.

St. Joseph's School still has openings in most grades if you are still wanting to enroll your child. Please call the School Office (701-572-6384) to enroll or to inquire about additional information.

St. Joseph's School Board will meet on Tuesday, Sept 22 at 4:30 in O'Neill Hall. Please contact Abbey Dahlberg or Mrs. Quamme if you are unable to attend the meeting.
