Quotation

of the week

~Maya Angelou

*"I have found that among its other benefits,
giving liberates the soul of the giver."*

From the Pastor's Desk

Jesus joins the people going out to John the Baptist in the gesture of repentance, not because there is sin in him, but to make it possible for us to share in his relationship with the Father. He goes to the Baptist as a beggar because he takes upon himself our misery. The Lord Jesus lowers himself in his baptism and acknowledges his Father so that we will never hesitate to do the same. In baptism, Jesus gives us an efficacious approach to the Father. The Father knows us as his beloved sons and daughters. (From the *Magnificat*)

-Peace, Fr. Russell Kovash

2nd Sunday In Ordinary Time

We've survived one week after a longer than usual Christmas break! I took some time Monday and pulled 2-4 kids out of each class and asked some questions regarding school. The questions were mainly, what do you like, don't like, and what would could make St. Joe's better. I felt good about our school after reading their responses, but these especially stuck out to me.

"What I like most about St. Joseph's is religion class."

"Every room should have a giant cross"

"I like that we have religion class."

"I like learning about God."

What I like best- being surrounded by students that know and love God.
