From the Pastor's Desk

Dear Parishioners,

Jesus told his disciples the parable of the man who went on a journey and called in his servants and entrusted his possessions to them. To one he gave five talents (a unit of money), to another two, and to another one. The first two servants invested their money and doubled it. The last one took his money and buried it. When the master in the parable returns, he praises the first two and says to them, "Come, share your master's joy." The one who buried the treasure gets scolded. What is the message of this parable? The two who invested represent persons who appreciate God's gifts and are willing to "invest" in their relationship with God and others. They are willing to give it all away, trusting that God will provide. We are called to do the same and trust in God. The one who buried the money represents a person who does not trust in God, and worries that he will lose what he has, forgetting it is all God's in the first place. On the Cross, Jesus shows us the greatest "investment". He gives his life for our sins so that we who believe and follow him, imitating his generosity, will receive the promise of eternal life and hear the words of our Master, Jesus Christ, say to you, "Come, share your master's joy." May we all hear those beautiful words now and at the end of our life!

Blessings,

Fr. Paul Eberle

Quotation of the week

"Whether, therefore, we receive what we ask for, or do not receive it, let us still continue steadfast in prayer. For to fail in obtaining the desires of our heart, when God so wills it, is not worse than to receive it; for we know not as He does, what is profitable to us."

~ St. John Chrysostom

33rd Sunday In Ordinary Time

from
Principal's Desk

Our virtue of the month for November is fortitude. Fortitude can be a tough virtue to follow. We can know what is right and just, but many times it is difficult to have the strength to follow through with what we know is right and just. Fortitude is the strength to carry through with what we know is right, even when it doesn't seem to be the easiest route to take. I feel this is a virtue that takes time to develop and it is often easy for young people to give in to peer pressure. I am so proud of these young students who have already begun to develop this virtue!

Children's Adoration :

I invite you to bring your children (any ages) to attend Children's Adoration. **November 30th, and Dec. 9th from 9:00-10:00 a.m.** are the next dates scheduled. If you are wondering if your child is too young or too old for this, the answer is "no" they are not too young or too old. If you are worried about your child acting out during this time, that's ok, don't let it deter you from coming. No one is perfect, and we understand we all have tough moments. God understands too, and loves when we come into his Eucharistic presence. I lead the children in about 10-15 minutes of prayer before the Blessed Sacrament in the monstrance on the altar, and then the children go to O'Neill Hall for activities, while the parents can remain in Adoration. It is truly a blessed time for our youth and families. Please come. You are most welcome and it will be a blessing to our entire parish to have our youth pray for our parish and the world. Our world needs it, and God always answers the prayers of his children.

Blessings,

Fr. Paul Eberle

The 40% ND Tax Credit

North Dakota established a Tax Credit (ND Century Code 57-38-01.21) that allows individuals, businesses, trusts, and estates to take advantage of a 40% state tax credit for contributions of \$5,000 or more to qualified ND charitable endowment funds. Even better, the unused portion of that state tax credit can be carried forward for three years.

Your donation can go further and cost you less.

* Assuming the marginal tax rate on an individual return is as listed and the donor can benefit from itemizing deductions on Federal Schedule A.

** Assuming ND income taxes would be high enough over a four-year period to use up the credit. (Current year, plus three years carry forward.)

North Dakota individual income tax rates are currently in the range of approximately 1.1% to 2.9% of federal taxable income.

The general provisions of North Dakota's Tax Credit (ND Century Code 57-38-01.21) are as follows:

- 1) A 40% state income tax credit can be taken on contributions to qualified North Dakota-based charitable endowment funds.
- 2) Contributions can be made by individuals, businesses, trusts, or estates.
- 3) To qualify, the contribution must be a minimum of \$5,000.
- 4) The maximum North Dakota tax credit is \$10,000 for single tax filers and \$20,000 for those who are married and filing jointly. The maximum tax credit for a single individual would be \$10,000, equal to 40% of a \$25,000 contribution. The maximum tax credit for a married couple would be \$20,000, equal to 40% of a \$50,000 contribution.
- 5) The unused portion of the North Dakota state income tax credit can be carried forward for three years.

It is easy to make a charitable gift from your IRA to

Church of St. Joseph

Williston, North Dakota

The IRA Charitable Rollover is actually a “qualified charitable distribution” that can be made directly to our parish.

If ...

1. You are at least 70½ years old on the date you make your gift
2. Your IRA is a traditional or Roth
3. You don't exceed your personal maximum of \$100,000 per year in qualified charitable distributions.

Reduce your taxable income even if you do not itemize deductions!

You will not have to report your distribution as income. It will be free of federal and state income tax, and it will count toward your required minimum distribution (RMD).

(The 2019 SECURE Act may require part or all of your distribution to be reported as income, for a small number of people.)

Example:

Mrs. Connors, age 76, has a traditional IRA account and would like to contribute \$3,000 to our parish in 2022. She directs her custodian of her IRA (her bank, investment or insurance company that has her IRA) to transfer this amount not later than December 31, 2022 directly to our parish as a 2022 gift. She will not be subject to income tax on her qualified charitable distribution.

The best way for you to start is with your IRA custodian. Tell them you want to make a *qualified charitable distribution*. In most cases you will only have to fill out a simple form.

Important information!

Your gift *must* go directly from your IRA to our parish. If you receive the money first then you will be taxed on it like any other distribution.

If you have any questions, contact our parish office at 701-572-6731.

Gifts from the Harvest

(Grain, Corn, Beans, Cattle, etc.)

Sharing Your Harvest ... more effectively

Cash basis farmers who harvest their crops in the fall and make their plans for spring planting often find that making charitable gifts is a great way to do tax planning. As with all charity and tax planning, one should first consult his/her financial and legal advisers. The example below, illustrates for many farmers, at least considering a "gift from the harvest" might be the most effective way to "share your harvest."

The reasons such a gift might be advantageous are several, but the primary are:

- **Reduction of income** to the extent of the value of the commodity.
- Deduction of **production costs** from the past growing season.
- In many cases, elimination of the **self-employment tax** attributed to the commodity.
- Effective **reduction of adjusted gross income**, helping reduce the income on which tax is assessed, and allowing larger giving not limited to 50% of adjusted gross income.

Procedure: Please see back for instructions.

To accomplish a "gift from the harvest", be sure to **contact our office at (701) 572-6731**. We can provide the forms and information by which your elevator may transfer ownership to the Diocese, your parish, school or other ministry directly prior to sale, thereby ensuring the favorable tax treatment desired by such a gift.

When you decide to make a "gift from the harvest", make sure you give our contact information to the elevator, so we can take responsibility for the sale.

The full value of production costs can still be deducted on Schedule F. Please consult with your own tax advisor for your unique situation. This illustration is not to be considered legal or tax advice.
