### Quotation

of the week

judge people, whose behavior is atrocious."*

### From the Pastor's Desk

Using two simple metaphors in today's Gospel, Jesus outlines the role of Christians in this world. The Christian's task is to be the salt of society, preserving, reconciling, adding flavor, giving meaning where there is no meaning and giving hope where there is no hope. As the salt of the earth, the Christian must have a certain antiseptic influence on life and society, defeating corruption, fighting against injustice and making it easier for others to avoid sin. As salt preserves foods, we have to preserve the religious Faith, Christian cultural values and moral principles, which Jesus has given us. As well, every Christian ought to reflect the light borrowed from Christ and radiate that light in the form of love, kindness, mercy, forgiveness and humble service.

-Peace, Fr. Russell Kovash

## 4th Sunday in Ordinary Time

from  
Principal's Desk

It's been an action-packed couple of weeks at St. Joseph's school. These winter months can get people down and it's always nice to have something fun to look forward to this time of year. Last weekend I got to experience my first St. Joseph's Mardi Gras and I was quite impressed. It is fun for me to see the students in a different environment and with their siblings and families. Mardi Gras also gave me a chance to see the older St. Joseph's students showing great leadership skills by running booths, serving meals, cleaning tables, etc.

We were also busy celebrating Catholic Schools Week by recognizing our parish, community, students, nation, vocation directors, faculty, staff, and volunteers. They all play a large part in making our St. Joseph Catholic School successful. Our school vision statement simply states: *Inspire and form the heart, soul, and mind of future generations to radiate the Light of Christ.* This vision cannot be accomplished at school alone, it takes all of us! Thanks for being a part of our vision.

### Upcoming Events:

Candy sales are currently in progress, sales will end Thursday, Feb. 16<sup>th</sup>

Friday, February 17<sup>th</sup> - no school due to a full day of in-service

Monday, February 20<sup>th</sup> - no school - President's day

In Christ,

Narcel Clark

### St. Vincent De Paul Society

We are inviting you to be a part of St. Vincent's and its mission to aid those in various need around the community. We need volunteers who have heart and time to visit as a team, with another Vincentian, to assist in this effort. We also need members who will pray our community and the Society. Please contact Tony at 701-580-0826, or Deacon Jerry at 701-770-1999. Thank you.

### Market Day!!

On January 30th, 2023 the third graders had their Market Day. They were all excited because we have been planning for this big project for the past two weeks. It was linked with their Social Studies lesson on How Communities Make Goods and Money. Each group planned what they will be making and selling to their buyers which were the Fourth and Sixth Graders. On the planning time they all agreed to donate the money that they will raise in a chosen charity. The Market Day was a successful event and all third graders were just excited to give and share. Some parents came and We are all thankful for all the support they are giving our class.

## Eucharistic Revival

In June of 2022 the bishops of the United States began what they are calling a National Eucharistic Revival. It's a three-year focused effort to inspire, renew, and strengthen the faith of Catholics in the precious gift of the most Holy Eucharist. The first year-from June 2022 to June 2023-is focused on the diocesan level.

**On Saturday, February 25th.** Bishop Kagan will be leading a time of Eucharistic Adoration for the Williston Deanery from 12:00-2:00 PM at St. Joseph's Church. It will include a homily, silent prayer, Benediction, and discussion.

**All are welcomed to join for part or all of the time.**
