From the Pastor's Desk

Dear Parishioners,

We are certainly blessed at St. Joseph's to have a Catholic School! Christ is the center of our universe and our hearts. By the time you read this, our students will have completed a half week of school. I look forward to getting to know our school students and parents. Please pray for our youth, and faculty and staff! We are excited to have our Little Joe's Early Childhood Center opening in September. Much work has been done and the good Lord is guiding us. I look forward to the beginning of Faith Formation at the parish on Wednesday evenings. Our faith is so precious and is the most important part of our lives, by far!! Where would we be without Faith? We are grateful to help our parents pass on the gift.

One of the projects Fr. Kovash initiated before I arrived was looking into a new sound system for the Church and for O'Neill Hall. There are serious problems with the present system which was installed in the early 2000's and has basically come to the end of its life span. There is often feedback, and areas in the church in which it is difficult to hear and/or uneven sound. The technology has advanced a great deal in a couple of decades and we believe a new system will be a tremendous improvement. The issue has been discussed among our musicians, parish members/councils, and Fr. Kovash had received a couple of estimates before I came. The proposal for the Church/O'Neill Hall sound system which seems most suitable for our needs will cost the parish approximately \$52,000. The same company we are looking into may also be able to install a paging system (PA) into our school classrooms to increase security/safety concerns highlighted in a recent safety assessment. The estimate for that project would be conservatively in the ballpark of \$15,500, but I emphasize that is a very loose estimate. They will come to give a firm estimate this fall. Please let me know of your thoughts, or if you would be interested in helping provide financial assistance for these projects. We would be very grateful and I thank you ahead of time for your generosity!

-Blessings,

Fr. Eberle

As I sit down to write this, I have had the privilege to spend one day with a school filled with students! I saw eager faces, nervous faces, happy faces, and sad faces (I saw the same faces on the students). 😊

At the end of the day, I saw lots of happy faces and a few tired faces on the students, which signaled to me that it must have been a successful day. There is no greater feeling than getting through those scary, anxious times in our lives. If we constantly remind ourselves that God is by our side, we can feel more comfort and less anxiety. It's important as parents to not shield our students from those anxious moments or try to avoid those moments. Rather stand beside them and give them support as they face those scary moments and help remind them that with God all things are possible. Have a great week!

In Christ,
Narcel

St. Joseph's School Board Nominees

Hi! My name is Sara Loomer and I am a candidate for the school board at St. Joseph's Catholic School. Being born and raised here in Williston, I have been a life long member of St. Joseph's Parish. After graduating from North Dakota State University (Go Bison!), I lived and worked on cutting horse ranches in Texas and Oklahoma for a few years before returning home, getting married to the love of my life, Justin, and starting a family. Our two children, Lane and Madelyn, are students at St. Joseph's school and will be in 4th and 2nd grades in the fall. Our family lives and ranches east of Williston along with my parents, Bruce and Kathy Brogger. I also work at TA Tong and Indicator, a local family-owned oil field supply and equipment repair company. In my spare time I love spending time with family and friends, baking, and making quilts. Our family really loves the close knit, family-like atmosphere of St. Joseph's School, and if elected, I hope to serve the school board well.

My name is Kayla Johnson. I am originally from a small town on the SD/ND border. My husband and I moved to Williston 7 years ago and have made Williston our home. We have been blessed with three daughters and our older two attend St. Joseph's School in 5th grade and kindergarten. I am a graduate of the University of North Dakota with a bachelor's degree in Business Administration. Outside of working full time at First International Bank & Trust, I enjoy spending time with family and friends and being involved in the community. We are parishioners of St. Joseph Church and are so thankful to have the opportunity to send our daughters to St. Joseph's School. I would be honored to serve on the St. Joseph School Board and if elected I look forward to working alongside the board members to continue the St. Joe's mission to "Prepare students to lead lives rooted in an encounter with Christ...".

Voting will occur on September 9th and 10th after mass in O'Neill Hall.
