Stewardship Moment

"No longer was there manna for the Israelites, who that year ate of the yield of the land of Canaan." - JOSHUA 5:12

For the forty years that the Israelites journeyed through the desert, God provided them with manna to eat. As soon as they were able to enjoy the fruits of the Promised Land, the manna ceased. Likewise, God's blessings to us may change over the course of time, but it is important to trust that God will always provide us with all that we need.

Weekly Prayer of the Faithful

That we trust that God will provide all that we need.
