Gospel Meditation

We all have our ideas of who God is. We have to remember, however, that our ideas of God often do not capture who God really is. God is a wonderful mystery whose identity is inexhaustible. This makes life an exciting journey in search of belief, love, glory, and unity. Displaying all of the tenderness of a real love story, we hear from Jesus that God wants nothing more than for the world to believe. The same depth of affection given to Jesus, God the Father desires to share with us. Receiving this love gives the believer an even greater understanding of what gives us purpose and meaning. With God's unconditional love as our anchor, we can endure the greatest of hardships knowing that we carry the hope of glory within us. Sharing in the same incredible eternal destiny and glory that God gave his Son, we can all be one just as Jesus and the Father are one. Why is understanding all of this important? Because given the myriad choices of what can possibly define us, we now have the primordial truth of who we are given to us by God. We know, beyond all doubt, where to look for true happiness and where our lives will end.

Faith Formation meets next Sunday, June 5.
