Certainly, some of these hymns could be placed within the Mass at other spots than those suggested, and other hymns can be considered as well. Secular music or any recorded music (sacred or secular) is not appropriate for liturgy and can not be considered. If there is a particular affection for such a piece of music, consider incorporating the playing of a recorded version of it in some manner into the visitation being conducted at the mortuary or as a means of concluding your family's time after the Rite of Committal at the cemetery. Please check with one of our priests or with our Director of Music Ministries, Orin Johnson (johnsono@stsja.org or 636-980-6255) with any concerns or questions.
