Spiritual Adoption

Week 21

I've been sleeping and dreaming about my family. While I was asleep, more of the "vernix" (the sticky coating that covers my skin) has been busy completely covering me. That coating will keep my skin protected, but also help my body stay slick for the delivery process. That will certainly be a tough day for mommy and me, but I can't wait for it to come! Thank you for praying for me. God is watching over me."
