October And The Rosary

The Month Of The Holy Rosary

The month of October is dedicated to the Holy Rosary and this is a reminder of the promises for those who pray this contemplative prayer with Our Lady. It is a sign of predestination.

October Month of the Holy Rosary

The month of October is dedicated to the Holy Rosary. According to an account by fifteenth-century Dominican, Alan de la Roch, Mary appeared to St. Dominic in 1206 after he had been praying and doing severe penances because of his lack of success in combating the Albigensian heresy. Mary praised him for his valiant fight against the heretics and then gave him the Rosary as a mighty weapon, explained its uses and efficacy, and told him to preach it to others.

"Since the prayers of the Rosary come from such excellent sources — from Our Lord Himself, from inspired Scripture, and from the Church — it is not surprising that the Rosary is so dear to our Blessed Mother and so powerful with heaven.

"If we consider the power of the Rosary as seen in its effects, we find a great abundance of proofs of its wonderful value. Many are the favors granted to private individuals through its devout recitation: there are few devoted users of the Rosary who cannot testify to experiencing its power in their own lives. If we turn to history, we see many great triumphs of the Rosary. Early tradition attributes the defeat of the Albigensians at the Battle of Muret in 1213 to the Rosary. But even those who do not accept this tradition will admit that St. Pius V attributed the great defeat of the Turkish fleet on the first Sunday of October, 1571, to the fact that at the same time the Rosary confraternities at Rome and elsewhere were holding their processions. Accordingly, he ordered a commemoration of the Rosary to be made on that day. Two years later, Gregory XIII allowed the celebration of a feast of the Rosary in churches having an altar dedicated to the Rosary. In 1671, Clement X extended the feast to all Spain. A second great victory over the Turks, who once, like the Russians, threatened the ruin of Christian civilization, occurred on August 5, 1716, when Prince Eugene defeated them at Peterwardein in Hungary. Thereupon Clement XI extended the feast of the Rosary to the whole Church.

"Today, when dangers far greater than those of the ancient Turks threaten not only Christianity but all civilization, we are urged by our Blessed Mother to turn again to the Rosary for help. If men in sufficient numbers do this, and at the same time carry out the other conditions that she has laid down, we have the greater reason for confidence that we will be delivered from our dangers." -- *Mary in our Life* by Fr. William G. Most

DEAR GOD,

We come to you today as the week draws to a close. We ask your favor. We have problems that loom large. Worries that won't quit. We are anxious for a turn of circumstances.

Help us to put on a positive face, to have just the right attitude. To feel your encouragement, to know your support. To be cheerful and to be giving. To enjoy the weekend, with a few laughs, and a whole lot of love.

Most of all - God, be present within us as we lead in Your way.

AMEN
