# RESPECT LIFE

*respect · love · protect*

*May every person's life be protected and cared for from conception to natural death.*

*God has loved you from all eternity and longs for a close relationship with you. In Scripture, He says, "Before I formed you in the womb I knew you" (Jer. 1:5).*

*God has made you in His image and likeness, allowing you to share in and reflect His own glory. You were chosen by God, created out of love and for love. Your life is sacred, unique, irreplaceable, and good. And this reality is true for every human person. Each time we encounter another, we are standing on holy ground. Human life is sacred at every moment and in every circumstance.*

*The vulnerability of new life, the frailties of old age, and the challenges we face in between never diminish our God-given dignity. The life each of us has been given is always worth living. It is a gift that we are called to cherish and protect because God has willed us to exist through His love. And the same is true for the lives of others. Understanding our own goodness and dignity helps us see the sacredness of every human person. In response, we are called to treat each person accordingly—to welcome, care for, protect, and defend the gift of every person's life from its very beginning to its natural end.*

*Scripture tells us that God fashioned human life in His image and likeness as the crown of all creation—but He didn't stop there. His love for us was so great that He became human, further elevating the dignity of our humanity. Jesus was conceived in the womb of the Blessed Mother and, like each one of us, grew and developed as a preborn child beneath the shelter of His mother's heart.*

*This simultaneously reveals the undeniable humanity of preborn children and the intrinsic value of all human life. Abortion tragically rejects these truths, ending the life of a child and harming those involved in a variety of ways. Like the Blessed Mother, we are called to welcome, protect, and nurture the gift of new life from its first and most fragile moments. Following Jesus means caring for and protecting those who are most vulnerable and helping others to do the same. May each of us work to ensure life is protected and cherished in our laws and in our hearts.*
