January 1, Solemnity of the Blessed Virgin Mary, the Mother of God, The Octave Day of Christmas

NEW YEAR REFLECTION

The Octave of Christmas falls on New Year's Day. Given the fact that the pagans used to celebrate this day through dissolute activities and superstition, the ancient Church helped believers begin the new year with a "new spirit" through the practice of days of fasting and penance. In 431, during the Council of Ephesus that concluded on 22 June, the dogma of faith regarding "Mary's divine maternity" was declared. Thus, in 1931, on the Council's 15th centenary, Pope Pius XI established the liturgical feast that we already find celebrated in the 7th century. It is a day laden with meaning and contains many messages: the Octave of Christmas recalls the day Jesus was circumcised and given His name, it is the Solemnity of Mary, the Mother of God, and it is also the day on which the World Day of Peace is celebrated (established by Pope Saint Paul VI in 1968).

Only a mother could begin to understand the great mystery and beauty of motherhood. But only one mother could begin to understand the unfathomable beauty of being the mother of the Son of God. After the birth of Jesus, the shepherds came to adore her Child and recounted how a multitude of heavenly hosts appeared to them, revealing that Mary's Child was the Messiah. As Mary heard those words, she pondered them, reflected upon them, and kept them in her heart. This was but the first time we are told of Mary's pondering heart after the birth of her Son, but we can be certain that she pondered Him over and over, entering ever more deeply into the mystery of her motherhood of the Son of God.

As the Mother of God, Mary's prayerful pondering was beyond our comprehension. The bond she shared with her divine Son far surpassed a mere human bond. Jesus was not only her Son, He was also her Savior. Therefore, she adored Him as a mother loves her child, but also as a servant worships her God. The relationship between this unique mother and Son is infinitely awe-inspiring. Our Blessed Mother is given the unique title of "Mother of God" first and foremost to express our faith in the divinity of Jesus. Jesus was both human and divine, but in Him these two natures were perfectly united. Therefore, one cannot say that Mary was only the mother of the humanity of Jesus, she was the mother of the Person. And that one Person was, at the same time, God and man.

When the celebrations and fuss of Christmas have subsided, many people gear up for the New Year, which is often another social time with family and friends. Amidst all the excitement and preparations, a sneaky but persistent thought can quietly enter the mind: What will my New Year's resolutions be? Each New Year is like turning a page in the story of life. It's a new beginning and the page is always blank. The new page is waiting to be filled with the next part of each person's life story.

opportunity to reflect on the year gone by and to approach the year ahead with purpose and intention. A lot of emphasis is placed on this being a time to make big changes in our lives and while this can prove to be a useful motivator for many, it is also important to recognize that meaningful transitions and milestones are happening all year round.

Our efforts in forging forward with life, or as the case may be, with recovery, are meaningful and valuable regardless of when they occur. Taking the pressure off of becoming new and improved versions of ourselves as soon as January 1st rolls around allows us space to grow, learn and move forward at our own pace, in our own way, and on our own time line

With the New Year comes a sense of new beginnings and of looking to the future. It's a time and space for reflecting back on the previous year. This can be one of the most helpful parts of this time of year, as we can look back to where we were this time last year and note the differences in ourselves. With reflection and attention to positive change, taking note of what we have learned on our journey up until now, can give us the opportunity to apply it to the future, to take with us what is helpful and to leave behind what is not.

A new year can remind us of new life, hope and opportunity. Every new season is a testimony of God's grace. Creation itself reminds us of God's great faithfulness as we witness renewal and rebirth. Things can be renewed. Even in a cursed, fallen world, hope for change can exist. In a sense, every day with Jesus is a chance to turn the page on an old way of life and embrace a new one. We are, after all, new creation people, and we serve a King who renews us daily by the Holy Spirit.

There truly are many messages to be received on this first day of the year. We are invited to learn from the Virgin Mary to "keep" the Word in our hearts, and to ask ourselves what the Lord Jesus wants to say to us as the days go by, knowing that God's blessing always accompanies us.
