A religious painting depicting the Virgin Mary standing on a bed of white clouds against a blue sky. She is wearing a long white robe with a blue mantle draped over her shoulders. Her arms are outstretched in a gesture of blessing or welcome. Behind her head is a large, glowing purple halo. Surrounding her are several cherubs or angels in various poses, some holding flowers. The overall style is characteristic of 19th-century religious art.

The Assumption of the Virgin Mary

Every August 15th we celebrate the Assumption of the Virgin Mary into Heaven. It is a day of precept (that is, we have the obligation to participate in Mass on this day) because it is a dogma of faith: a dogma is a truth of faith, infallible, revealed by God through the Holy Scriptures or Sacred Tradition. After being proclaimed, a dogma cannot be repealed or denied, neither by the Pope nor by a conciliar decision.

The dogma of the Assumption of Mary tells us that, at the end of her earthly life, Mary's body and soul were immediately glorified and taken to Heaven.

We know that the resurrection of the bodies of the faithful will occur at the end of time, but in the case of the Virgin Mary this fact was anticipated by a singular privilege.

We celebrate this feast with a double objective: the happy departure of Mary from this life and the Assumption of her body into Heaven. The importance of the Assumption of Mary for all of us is found in the relationship that it has between the Resurrection of Jesus Christ and our resurrection. The fact that Mary is found in body and soul already glorified in Heaven is the anticipation of our own resurrection, since Mary is a human being like us.

Scripture does not give details about Mary's last years on earth, from Pentecost to the Assumption. We only know that the Virgin was entrusted by Jesus to Saint John the Beloved Disciple. The Church did not want to proclaim whether the Virgin died and was resurrected immediately, or whether she went directly to Heaven. Many theologians think that the Virgin died to be more like Jesus, but others maintain the "Dormition" of the Virgin, that is, that she was taken up to Heaven during her sleep, without passing through death. What both positions agree on is that the Virgin Mary, by a special privilege of God, did not experience the corruption of her body and was assumed into Heaven, where she reigns alive and glorious, together with Jesus.

La Asunción de la Virgen María

Cada 15 de agosto celebramos la Asunción de la Virgen María al Cielo. Es un día de guardar (es decir, tenemos la obligación de participar en la misa este día) porque es un dogma de fe: un dogma es una verdad de fe, infalible, revelada por Dios a través de las Sagradas Escrituras o de la Sagrada Tradición. Luego de ser proclamado, un dogma no se puede derogar o negar, ni por el Papa ni por decisión conciliar.

El dogma de la Asunción de María nos afirma que, al término de su vida terrena, el cuerpo y alma de María fueron inmediatamente glorificados y

llevados al Cielo. Sabemos que la resurrección de los cuerpos de los fieles se dará al final de los tiempos, pero en el caso de la Virgen María este hecho fue anticipado por un singular privilegio.

Celebramos esta fiesta con un doble objetivo: la feliz partida de María de esta vida y la Asunción de su cuerpo al Cielo. La importancia que tiene para todos nosotros la Asunción de María se da en la relación que esta tiene entre la Resurrección de Jesucristo y nuestra resurrección. El que María se halle en cuerpo y alma ya glorificada en el Cielo es la

anticipación de nuestra propia resurrección, dado que María es un ser humano como nosotros.

La Escritura no da detalles sobre los últimos años de María sobre la tierra, desde Pentecostés hasta la Asunción. Sólo sabemos que la Virgen fue confiada por Jesús a San Juan el Discípulo amado.

La Iglesia no quiso dirimir si la Virgen murió y resucitó enseguida, o si marchó directamente al Cielo. Muchos teólogos piensan que la Virgen murió para asemejarse más a Jesús, pero otros sostienen la "Dormición" de la Virgen, es decir que fue elevada al Cielo durante su sueño, sin pasar por la muerte. En lo que ambas posiciones coinciden es que la Virgen María, por un privilegio especial de Dios, no experimentó la corrupción de su cuerpo y fue asunta al Cielo, donde reina viva y gloriosa, junto a Jesús.
