The Importance of Registering in OLMC Parish

Registering in one's local parish is a **common practice** for Catholics in the United States. Why? Because, as a child of God, every baptized person **belongs to the Church, the "family of God"**. Registration brings with it a **concrete relationship with the Church** and a **strong support of the parish community**.

Benefits of Parish Registration:

1. It offers **spiritual benefits**. After registering with a parish, it is more likely that you will participate fully in the life of the parish and find a **spiritual family**. You will find many opportunities to grow in love of God and of neighbor, and to celebrate your faith with others. You will feel less alone and more supported in times of joy and in times of sorrow.
2. It provides **faith education** for the whole family. Children will receive Religious Education, as well as parents. All will be able to prepare for the **sacraments**: Baptism, First communion, Confirmation, Marriage, etc. Registration allows proof of sacramental participation. If a person receives any of the sacraments in a parish, registration provides a clear and straightforward way to keep track of this information. Conveniently, proof of sacramental participation can easily be passed from one parish to the next if one moves.
3. It demonstrates your **involvement**. Registration in the parish provides an opportunity to participate in and **become an established member** of the local parish community. This has a variety of benefits that extend beyond participation at weekly Mass:
 - you will have the opportunity to help organize and promote the celebration of traditional religious **feasts and devotions**.
 - you will be eligible for **sponsor/godparent** validation.
 - you will become acquainted with other parishioners and **make friends** who share the same faith and desire to follow the concrete teachings of our Lord Jesus Christ.
4. Registering also helps the parish maintain **communication** with its parishioners. In addition to bulletins and Mass announcements, you will be able to receive on your cell phone the text messages or reminders that the priests or staff send on special occasions. So, you can feel more like a part of the parish community when you receive important information right when needed.
5. It demonstrates your financial **commitment**. Providing regular offerings at the weekly Mass by using the **offering envelopes** after registration demonstrates a commitment to the Church. In addition, for tax return purposes, all your donations will be summed up at the end of the year and you will **receive a tax deduction**. It is important to emphasize, however, that registering at the parish does not oblige a parishioner to give

La Necesidad de Inscribirse en la Parroquia

La registración en una parroquia no es una práctica común para los católicos en América Latina.

Sin embargo, **es una práctica común y necesaria en los Estados Unidos** y, por lo tanto, también es importante para los inmigrantes, ya que ofrece una variedad de beneficios.

Tenga en cuenta que la parroquia o la arquidiócesis **nunca compartirán la información de inscripción** con ninguna agencia gubernamental o policial. El proceso de inscripción es completamente confidencial.

Beneficios de Inscribirse en la Parroquia:

1. Beneficios espirituales y educación de la fe. Por la registración, una persona participa plenamente en la vida de la parroquia y encuentra una comunidad espiritual. Las familias están más apoyadas en momentos de alegría y en momentos de dolor. En tiempos de dificultad, la parroquia ofrece apoyo crucial. Los niños reciben educación religiosa, así como los padres. Pueden prepararse para los **sacramentos**: Bautismo, Primera comunión, Confirmación, Matrimonio. La inscripción permite que haya una prueba de los sacramentos recibidos. Además, la prueba de la participación sacramental se puede pasar de una parroquia a la siguiente si uno se muda.

2. Evidencia de participación. La inscripción en la parroquia brinda la oportunidad de participar y convertirse en **un miembro establecido** de la comunidad parroquial local:

- Usted tendrá la oportunidad de organizar y promover la **celebración de fiestas** y devociones religiosas tradicionales.

- Será elegible para la validación como **padrino de bautismo o de confirmación**. Uno no puede calificar como padrino si no ha sido registrado durante al menos 3 meses.

- Usted se familiarizará con otros feligreses. En caso de que una persona tenga algún problema relacionado con la inmigración, con la policía, etc., el párroco y sus feligreses podrán proporcionar una **carta de buen carácter moral**.

3. Evidencia de tu presencia en los Estados Unidos. Para obtener documentos, uno tiene que proporcionar evidencia a las autoridades de inmigración de su **presencia continua** en los Estados Unidos. Inscribirse en su parroquia es un paso sencillo para ayudar a documentar la **cantidad de años** que ha residido en este país.

4. Compromiso financiero. Proporcionar ofrendas regulares en la Misa mediante el uso de los **sobres de ofrenda** personalizados con su nombre demuestra un compromiso con la Iglesia. Además, para su declaración de impuestos, todas sus donaciones se suman al final del año y recibirá una deducción de impuestos. Es importante enfatizar, sin embargo, que inscribirse en la parroquia no obliga a un feligrés a dar contribuciones financieras.
