PENTECOST SUNDAY

Welcome to The Greater Sun Prairie Area Catholic Churches

From the Pastor's Desk

My dear friends in Christ,

Congratulations to our pastorate's newly Confirmed! It was a wonderful celebration last Sunday. We are thankful for your listening to the work of the Holy Spirit within you. We now look forward to seeing your faith put into action in service to God and His people.

Congratulations also to Deacon Brad Grobbel. Deacon Brad preached his first homily at the 11 AM Mass at Sacred Hearts last weekend. It was a wonderful homily and we will continue to pray for him as he prepares now for priestly ordination next spring.

In the bulletin this weekend is the biographical information for the candidates for our Trustees, Parish Council and Finance council for your respective current parish. Please review these biographies as we will hold the elections on the weekend of June 1-2.

This election process has been a bumpy ride. We had over 80 nominations over the entirety of the pastorate for the various offices. We, the transition team and I, were quite pleased at the number. The team then followed up with each person nominated to ensure that they were willing to serve and to ask them to write a very brief biography for the "voters" to read. After contacting the nominees, the numbers of those willing to stand for election drastically reduced. In fact, we only had one treasurer trustee and one secretary trustee nomination from the ENTIRE pastorate. As a result the following is taking place regarding the elections:

The ballot at St. Albert will only contain the Treasurer and Secretary Trustee. We still need to vote on them even though they are unopposed. We had 3 nominees for finance council, so I will accept them as the three members from St Albert. We only had 2 nominations for parish council, so we go into the new parish with St. Albert underrepresented by one. If someone would still like to serve on the parish council, please contact me directly.

The ballot at Sacred Hearts will contain the Treasurer and Secretary Trustees for the same reason listed above. It will also have a ballot for parish council. There were only 3 nominations for finance council so I will accept them as the three members from Sacred Hearts.

The ballot at Holy Family will contain the Treasurer and Secretary Trustees for the same reason listed above. It will also have a ballot for parish council. We only had 2 nominations for finance council, so we go into the new parish with Holy Family underrepresented by one. If someone would still like to serve on the finance council, please contact me directly.

As I stated above, it was surprising to see so few willing to serve. I will give you my thoughts on this as well as one opinion that I had heard. If you poll the people who are currently on the councils at any of the existing parishes you will see that the overwhelming majority of them have been serving for DECADES on the councils. Those people who are currently serving have made the decision to let other people serve now as we merge. The fact that we were only looking for 6-8 people from each parish and we couldn't get that is rather disappointing and points to a larger need for us all to be a bit more introspective and prayerfully consider taking a larger role in service.

The other opinion that I heard was that parish X was no longer a "welcoming parish" and they did not want to serve as a result. I list this comment as I would rather tackle rumors rather than bury them. The same parish in reference again had the same people who had been on the councils for decades. It was not like there was an active process of nominations and elections and a regular rotation of those who were serving. In fact, if your belief was that we needed to be more welcoming, then what better way to get that point across than through the very councils that are set up to put forward the voice of the parish.

Thank you to all who are willing to serve. I very much look forward to serving with you as we plan for and grow our new merged parish.

May God bless you all,
Fr Vince

Luke House Service Opportunity

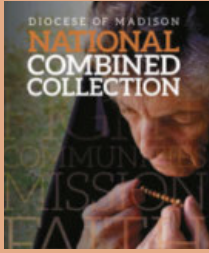

Spring is finally here and with the warm weather brings more guests to feed. Last month we served over 80 people. What do you know about Luke House? The fourth Tuesday of every month, St. Albert parish provides a meal for the homeless and less fortunate. This community meal program has been a part of St. Albert for almost 40 years. Does it make a difference in anyone's life when we share a meal with the less fortunate? You bet!! Our guests at Luke House appreciate the warm meal - especially our meal because it is the only turkey meal served. We often hear thanks and compliments.

Tuesday, May 28th is our day to provide the meal for Luke House. Sign up on the bulletin board in the narthex to bring milk, bread, vegetables, biscuits, turkey, butter, or applesauce. Please bring the items to church or to Luke House, 310 S. Ingersoll, Madison. If you leave them at church, please place perishables in the lower kitchen refrigerator and non-perishables in the kitchen area as well. We may need to revamp our drop off days next month with the decrease in staff. We will keep you posted.

If you have questions, please call Claudia Morrissey at 837-837- 9653 or Chris Hetzel 608 513-4912.

National Combined Collection Diocese of Madison

This weekend the National Combined Collection is being conducted across the diocese. Enclosed in this bulletin is a brochure explaining all of the individual collections and an envelope to make your gift. Please consider how you can make a difference in the lives of so many across this country.

Suggested Mass Stipends & Stole Fees

The Diocese of Madison and our parishes are grateful to all those who have generously provided a donation for Masses, funerals, weddings, and quinceañeras in the past. The donation for these sacraments and services has remained the same for thirty years throughout the dioceses of Wisconsin. Recently, when the Bishops of the State of Wisconsin gathered, they decreed that stipends should be adjusted to reflect the current time and to account for inflation. The new suggested stipend structure is as follows:

Mass Stipends - \$20

Funerals - \$75

Marriages - \$100

Quinceañeras - \$100

These new suggested amounts take effect with events that occur on or after July 1, 2024. They do not apply retroactively to those who have already paid the appropriate amount for an upcoming event (even one that falls after July 1, 2024). The new fee structure will be applied to all *new* requests we receive for events that occur on or after July 1, 2024.

As always, if someone is not able to offer the stipend, the parish is always happy to provide the sacrament or service with no fee.
