God Bless Our Country

INDEPENDENCE DAY

~ From the Pastor ~

"My heart's desire and prayer to God for them is that they may be saved." Romans 10:1

Mes chers amis,

Today, we hear an important insight into the mystery of life from God's word: *"God did not make death, nor does He rejoice in the destruction of the living. For He fashioned all things that they might have being"* (Wisdom 1:13).

This is an important truth that we must remember, especially in our time, which as Pope St. John Paul II first said, has embraced and truly propagates a culture of death. We must reject and fight to eliminate all sins which bring death and destruction...to guard, protect, and nourish the precious gift of human life.

You may remember the powerful words Mother Theresa dared to speak from her mind and heart about the right to life at the National Prayer Breakfast in Washington, D.C, on February 5, 1994. These are a few of her words:

"I feel that the greatest destroyer of peace today is abortion, because it is a war against the child, a direct killing of the innocent child, murder by the mother herself. And if we accept that a mother can kill even her own child, how can we tell other people not to kill one another? How do we persuade a woman not to have an abortion? As always, we must persuade her with love and we remind ourselves that love means to be willing to give until it hurts. Jesus gave even His life to love us. So, the mother who is thinking of abortion, should be helped to love, that is, to give until it hurts her plans, or her free time, to respect the life of her child. The father of that child, whoever he is, must also give until it hurts.

By abortion, the mother does not learn to love, but kills even her own child to solve her problems. And, by abortion, that father is told that he does not have to take any responsibility at all for the child he has brought into the world. The father is likely to put other women into the same trouble. So abortion just leads to more abortion. Any country that accepts abortion is not teaching its people to love, but to use any violence to get what they want. This is why the greatest destroyer of love and peace is abortion...

But what does God say to us? He says: *"Even if a mother could forget her child, I will not forget you. I have carved you in the palm of my hand."* We are carved in the palm of His hand; that unborn child has been carved in the hand of God from conception and is called by God to love and to be loved, not only now in this life, but forever. God can never forget us."

May we always remember that Our Lord fashioned all things that that might have being...that they might live! And that He will never forget us!

Dans le Sacré Cœur du Christ,
Fr. Vidrine

HURRICANE PRAYER

PRAYER FOR SAFETY DURING HURRICANE SEASON

O God, Master of this passing world,
hear the humble voices of your
children. The Sea of Galilee obeyed
Your order and returned to its former
quietude. You are still the Master of
land and sea. We live in the shadow
of a danger over which we have no
control: the Gulf, like a provoked and
angry giant, can awaken from its
seeming lethargy, overstep its
conventional boundaries, invade our
land and spread chaos and disaster.
During this hurricane season we turn
to You, O loving Father. Spare us
from past tragedies whose memories
are still so vivid and whose wounds
seem to refuse to heal with passing of
time. O Virgin, Star of the Sea, Our
Beloved Mother, we ask you to plead
with your Son in our behalf, so that
spared from the calamities common
to this area and animated with a true
spirit of gratitude, we will walk in the
footsteps of your Divine Son to reach
the heavenly Jerusalem where a
stormless eternity awaits us.

Amen.

REFLECTION

The Head and the Heart

Have you ever known something intellectually, with your mind, yet not really believe it with your whole heart and soul? I love to try and see if I can figure out the connections between the Sunday Mass readings, particularly the First Reading and the Gospel. While reflecting on today's Mass readings to write this reflection, I realized I knew something in my head but didn't know it in my heart.

The First Reading hit me right between the eyes. God didn't create disorder in the world, and he hates that the human race must deal with the fallout of sin. Sin brings all kinds of disorder in our world, but perhaps one of the most well-known and experienced forms of disorder comes through health - or lack thereof.

In today's Gospel reading, two women are experiencing devastating health events, one was even near death. At that point, the lightbulb finally went off in my head. "God doesn't want this for anybody. He doesn't want those women - or anyone - to suffer with bad health or in a myriad of other ways." He didn't make death or revel in it, but God had a plan to clean it all up. And to increase faith among his followers, he heals both women that day, prefiguring our life in Heaven with God.

Have I always known that God didn't make death or revel in it? In my head, yes. In my heart, no. I suspect that there is some sort of truth about God that you know and believe in your intellect, but don't truly embrace with your whole heart and soul. That's okay, my friend.

Ask God for the grace and ability to believe it and to welcome it firmly into your inner being. And, like the women healed that day, maybe, just maybe, you'll witness a little miracle in your life.
