See in Every Human Face the Face of Christ

Pope Saint John Paul II

~ From the Pastor ~

“My heart's desire and prayer to God for them is that they may be saved.” Romans 10:1

Mes chers amis,

We already find ourselves in this month of October! The fall has arrived, and the cooler weather will hopefully follow soon. October is traditionally observed the Month of the Holy Rosary. Tomorrow is the feast of Our Lady of the Rosary (October 7). This month gives us an opportunity to rediscover this wonderful prayer handed on to us through tradition, so

simple yet so profound.

As Pope St. John Paul taught clearly, the Holy Rosary is a powerful way of contemplating the face of Christ...of seeing Him with the eyes of Mary. The Rosary revolves around the mysteries...the Gospel scenes of the life of Christ. Throughout the Church's history, the Rosary has been a powerful way of getting to know Jesus and a great source of personal conversion. The Rosary of the Blessed Virgin Mary has comforted those in sorrow or fear and been a powerful weapon in the face of dangers and evil threats. The Second Vatican Council fully endorsed it for our times, and Pope St. John Paul II, Pope Emeritus Benedict XVI, and Pope Francis have all enthusiastically recommended it.

We see how important it is to rediscover the power of the Rosary as we recognize our great need for peace...perhaps now more than ever! The threat of terrorism continues, wars continue to be waged, and tensions in societies throughout the world have increased. In each of her apparitions (Rue de Bac [Paris], Lourdes, Fatima), Our Lady has called for the praying of the Rosary precisely for peace. How desperately we need her powerful intercession to convert the hearts of sinners and bring the peace of God's presence to our world! This is true for nations...but also for families. How much peace would flow into family relationships if the family would begin again to pray the Rosary together!

May our devotion to the Holy Rosary be strengthened by praying it daily and with great faith during this month of October. Our Lady, Queen of the Most Holy Rosary, pray for us!

Dans le Sacré Cœur du Christ,
Fr. Vidrine

PRO-LIFE MONTH

A PRAYER FOR LIFE

to Jesus in the Blessed Sacrament

O Jesus, you came that we might have *life*—and have it in abundance. Together with the Father and the Holy Spirit, you form us in our mothers' wombs and call us to love you for all eternity.

As your most precious gift of human life is attacked, draw us ever closer to your Real Presence in the Eucharist. Dispel the darkness of the culture of death, for you are the light that shines in the darkness, and the darkness cannot overcome it.

By the power of your Eucharistic Presence, help us to defend the life of every human person at every stage. Transform our hearts to protect and cherish all whose lives are most vulnerable.

For you are God, forever and ever.

— AMEN.

REFLECTION

Listening and Loving

Jesus insists that the little children can come to Him. He is available to them just as much as He is to the adults, much to the shock of the adults surrounding Him. Jesus then asks those shocked adults to consider how these children have qualities the adults are lacking. "Whoever does not accept the Kingdom of God like a child will not enter it." As I pondered the qualities a child has, the Holy Spirit drew my attention to an aspirational prayer in a Mass journal I have.

Breathe in: Give me ears that listen
Breathe out: and a heart that loves

I found myself considering how these two motions, listening and loving, are foundational to the childhood experience and are both crucial to accept the Kingdom of God. First, we have to listen. As children, our first experience of the world is sound. Even before we are born, babies can hear the sounds of the world outside of their mother. A young baby, days old, can barely see a few feet beyond themselves, but their hearing is perfect. They soak in sounds, language. We learn to speak first by hearing it. "At birth, the infant brain can perceive the full set of 800 or so sounds, called phonemes, that can be strung together to form all the words in every language of the world" (Patricia K. Kuhl, *How Babies Learn Language*, 2015). This is incredible! We have such a huge capacity for language, both to listen to and speak, as small children that fades as we grow more set in our ways as adults.

Simultaneously, babies are learning about what it means to be loved, to be cared for. They are completely reliant on their parents to love them. To love someone, to will the good of the other, is foundational for a child. As the child grows, they come to consciously perceive this and begin to freely offer that love back to their family. At lunch a few days ago, my three year old looked up and said, "Mommy, I love you. The next day, I will love you still." It was spontaneous and spoken from his heart. Jesus wants to speak to us. He does so in the language we understand with our ears through the people He has placed in our lives. He also speaks to our hearts, in the language of love. These two practices, listening and loving, are beautiful lessons we can strive to grow in while we seek to become more childlike in the eyes of God.
