Dearborn, Michigan  
**Parish Life and Ministry Opportunities 2023**

*Please complete this form and return it to the parish office no later than August 30, 2023. Remember...*

- Every parish volunteer, in every ministry, must make a new commitment each year in order to continue in that ministry.
- Use one form per family, not per person. Complete the family LAST name/phone number/address information for your household; then complete the MEMBER name/cell phone/email section for each individual.
- Write the name of the family member on one of the lines next to the ministry or activity in which that person wishes to participate.
- All ministries except those specifically noted require compliance with safe environment policies which are shown on the reverse side. Some ministries require some formation or training.
- The deadline for responding is August 30, in order to be included in any required training or formation programs. You will be contacted after that with the next steps for you and your family members.

### **Safe Environment Policies Update**

The Archdiocese of Detroit recently updated its safe environment policies for all parish and school volunteers.

1. All volunteers must have a criminal history background check each year. For most volunteers, this should be done annually in August. No one may volunteer at a parish or school in the Archdiocese of Detroit until the annual check has been completed.
2. Continuing volunteers who completed Protecting God's Children since January 1, 2020, need not participate again in Protecting God's Children at this time.
3. Continuing volunteers who completed Protecting God's Children prior to January 1, 2020 will receive an email from **Virtus** and must recertify by participating in an online, self-paced Protecting God's Children training module. If you have not received an email from **Virtus** at this time, update your **Virtus** account and then send an email to [protectchildren@aod.org](mailto:protectchildren@aod.org) and request that the recertification online, self-paced module be assigned to your account. Once it has been assigned, you may complete the module for recertification.
4. New volunteers must participate in Protecting God's Children via a LIVE ZOOM session. To register, visit [www.virtus.org](http://www.virtus.org) and click on FIRST-TIME REGISTRANT, then VIEW A LIST OF SESSIONS, then select DETROIT, MI (Archdiocese), then choose a class for NEW REGISTRANTS ONLY.
