

2024-2025 K-8 Tuition and Guidelines

Sacred Heart School is a very important part of the Catholic faith-forming and educational program at Sacred Heart Parish. Over one hundred years ago, our parishioners built the School and they continue to generously contribute their time, talent, and financial resources to its functioning. We are proud of our parishioners and all who actively participate and support our parish school.

While faith-formation and education take place in the classrooms of Sacred Heart School, we recognize that the most important part of faith formation occurs in the home and the parish-community. Weekend liturgies, as well as other activities appropriate to the students' ages and interests, greatly influence their faith development.

Financial resources for the operation of Sacred Heart Catholic School are derived solely from student tuition and a subsidy provided by Sacred Heart Parish. **The approximate cost to educate each student for one year is \$ 6,550. Each student's education is subsidized by Sacred Heart Parish.** A concern always exists that this system may become inadequate when school families are not active and supportive members of the parish. When families register at Sacred Heart Catholic School, they are committed to being an active presence in community worship, in contributing their time and talents, and in financial support to the parish.

*Registration Fee: \$260.00 if paid by February 4th, 2024 at 4 pm.

*Registration Fee: \$360 and \$200 per additional child.

The Non-Refundable Registration Fee is due at the time of registration.
