

Weekly Update

Week of August 8th

Enjoy the last days of Summer!

Hello! I hope that you all have been having a wonderful summer! From the pictures that have been shared with me, it looks like many memories have been made! Mrs. Latessa and I have been working hard all summer, but I did manage to squeeze in a trip to Boston recently. What a fun town, it is filled with so much history! As we get ready to begin our 2022-2023, I am trying out this new newsletter format to see if it is easier to read than last years! Please find below information that you might find useful before our first day of school, which is September 6th. It will be a full day and SACC will be available.

Who's Who at St. Germaine

Staff

As with any school year, we have had some changes to our faculty. Below is what teacher is teaching which specific grade. As we say goodbye to Mr. Lentine and wish him well on his new endeavors we are very excited to welcome Mrs. Alexander on to our staff! Mrs. Alexander is a familiar face around St. Germaine and has subbed for us for many years. Mrs. Alexander has also taught overseas. We are so happy that she is with us! Kindergarten will now be exclusively in the main school as well! It will be located in room 14.

Pre-school Half days-Miss Laureen and Miss Sue

Gym Uniforms for Sale

We have a new shipment of gym T-shirts and sweatshirts that will be available for purchase after 8/15/22. The T-shirts are \$ 15 and sweatshirts are \$20. There will be someone selling the shirts at Meet the Teacher and also at the Ice Cream Social. They will also be available in the office. If we do not have your child's size we can place an order.

MEET
.....the.....
TEACHER

Meet The Teacher Night

September 1st at 6:30pm. All parents are to meet in the church for a very brief meeting prior to going to the classrooms. Preschool children are welcome to attend. We ask that all other students NOT attend so that parents can focus all their attention on the important information that teachers will be sharing. This meeting will last approx. 1 hr. If you have multiple teachers you need to visit start with the teacher that you have not had the pleasure of working with first. The teachers will repeat their information more than once during the time period to accommodate the parents who have multiple children.

Hot Lunch Program

The Hot Lunch Program is currently on hold as I am meeting with other groups to see if they will fit our needs. Chartwells (who the majority of the AOD uses, does not fit our needs) Lunch prices have sky rocketed and I am looking for the best deal that would not cost parents over \$100 a month per child or cost the school anything). Please be patient. We will still have pizza days on Friday.

Middle School Shoes

Middle School Parents, you should have received an email from either Mrs. Latessa or Mrs. Makohn informing you of a new shoe choice for your students. Several of you reached out to me and stated that the quality of the Sperry's are not what they used to be. Again, trying to be conscientious of the cost of items these days, I have allowed a brown dress shoe to be worn, including Sperrys. There may be no heel on the shoes however. If you have questions please reach out to me.

8th grade parents- Save the Date

8th grade parents, please save the date of September 12th at 6:30. We will have a meeting (location to be determined) to discuss all things 8th grade and what you will need to know for this very exciting year!

Computer Lab Update

I am excited to announce that our computer lab will be getting a makeover, along with 30 brand new desktops! If all goes according to plan the install will be done and you will be able to tour it at Meet the Teacher! It is going to be fabulous!

Another way to communicate

I will be attaching a monthly calendar, a week prior to the new month coming up. Obviously things get added and deleted, but it will be a good guideline as to what is coming up. I will still be listing important dates in the weekly newsletter. I am also looking for an app to use to text parent reminders.
