A GREAT STAFF WAITING TO START A GREAT YEAR!

In Case You Missed It...Highlights from Meet the Teacher

Good Afternoon All, I hope you are all enjoying a relaxing last week. It was nice to see so many faces! Here are just a few bullet points from our meeting, if you should have any questions please let me know.

- Safety protocols are in place, Door A is the only door that you can enter in during the school day, no exceptions.
- If you have a key FOB for any reason, please do not use it during the school day.
- Bloomz has been added as another form of communication. It will be the way I will reach out should there be an emergency and we will need to leave the school building. Thank

you for all the parents who have already signed up! I have included directions below in cause you need them.

- Gym Uniforms are available in the office. If you need shirts/sweatshirts we have limited sizes left in the office, but we will be placing another order on Friday for those of you whose sizes were not available. I will also be placing another order in December. No worries the first week or two if you don't have a gym shirt it is ok! I have included an order form below.
- There have been modifications to the parent/student handbook please read it very carefully paying close attention to the dress code, hair, and behavior sections. We already were made aware of an error for the littles it states just plaid skorts can be worn, navy ones are acceptable as well.
- Middle School any brown DRESS shoe is fine, including Sperrys.
- First Day is a full day. Children need water bottles, snack and lunches. Please no glass.
- SACC is available on the first day. Please fill out SACC paperwork if you will need to use it at any point during the school year.

Paperwork and Fundraisers

In the next couple days a lot of information will be coming home. Please check folders, ask the older students for the information. I promise as time goes on my newsletters will be less lengthy. The first couple weeks are always a little hectic with paperwork exchanging hands. Please remember to practice patience and kindness. Mrs. Latessa is amazing, but only one person to sort through the reams of paper. Morley and Mums fundraisers start this week (technically we got a jump start on the mums). The paperwork will be coming home Tuesday. Keep an eye out for them please!
