## WHAT HAPPENED THIS WEEK?

Good Afternoon Spartan Parents!

I hope that you have had a great week! I know I am looking forward to the weekend! By now your student should have a set routine at home and at school. Routines help manage anxiety and the familiarity set your student up for success. Progress reports will be going home October 7th for grades K-3. This is a good time to look at how your child is progressing in their new class. If you are seeing something that is a concern to you, please do not wait until report card time to speak to the teacher(s). Grades 4-8 you have access to Jupiter at all times and you can see their progress there.

Our preschool friends headed out to the orchard for their field trip. It looked like a lot of fun was had by all, and for once the weather cooperated!

Yesterday our middle school went to Comerica Park to take in a game. They also completed an item on the bucket list of many teenagers, they made it on the JUMBOTRON!! Congratulations to Mr. Linkswiler for beating out all the competition and snagging a ball!

Are you a Face Book friend? St. Germaine's page is filled with photos and information about upcoming events that are fun to attend like Trivia Night listed below.

## THE VOTES ARE IN!

Grades 4-8 held their elections for Student Council this week. I was quite impressed with their speeches and they did a good job portraying why they felt they would be a good representative of St. Germaine's student body! I look forward to working with them this year. Please join me in congratulating our new student government:

4th grade representatives- Emma Moore & Jaxon Patten

5th grade representatives- Lyla Brandon & Owen Suchota

6th grade representatives- Roger Gentry & Adrianna Shaboo

7th grade representatives- Sawyer Wilson & Zoe Milne

President: Sophie Plocinik

Vice President: Maddie Wroblewski

Treasurer: Michael Beres

Secretary: Sam Bowab

## LUNCH BUNCH

I am very impressed with the kindness and politeness I am seeing throughout the school! I have decided that once we are done with kindness coins I will gather them all up and enter the students into a drawing. I will grab 5 names and they will win a special lunch with me on a designated day! We will be soon adding to our kindness virtue (because we are never done with being kind!) and again at the end of the month I will pull 5 students who have shown exemplary virtues the month of October for lunch!

## VIRTUE OF THE MONTH

### KINDNESS

Every month we will be looking at virtue as a whole school. As you heard last week that virtue is kindness. We have started to stretch our kindness coins across the hall and have made a school wide goal of being able to our line of coins wrap around the school. We have some pretty amazing kids, so I think it can be done!

## TRUNK OR TREAT OCTOBER 21ST 6-8PM

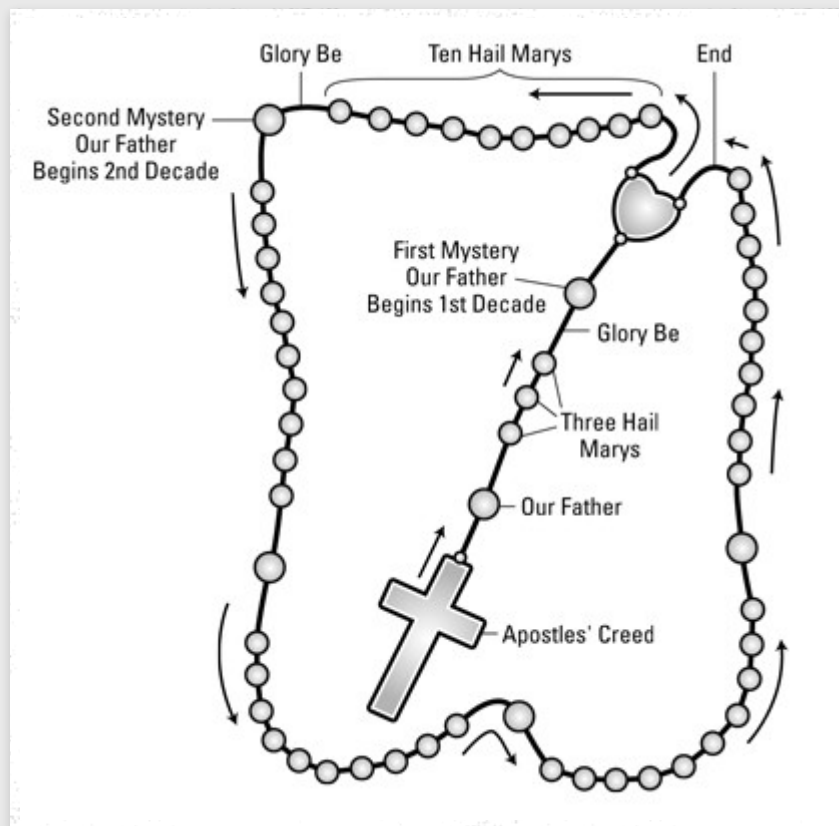

Save the Date! We will sending out a flyer soon to the students for this fun filled family event! So keep you eve out!

## PAUSE FOR PRAYER

The month of October is devoted to the Rosary. Every week I will list a prayer or activity that families can do together as disciples of Christ.

I have attached a diagram of the Rosary so that you can see how to begin praying the Rosary in case you have never done so before. each week I will add to this, so at the end of the month hopefully you will be saying the entire Rosary together as a family. I challenge each family this week to say a decade of the Rosary. If you don't have a Rosary at home please contact me and I will give you one. We have a supply in the office.
